**Barry Lyndon Mar 29 2020** Barry Lyndon by William Makepeace Thackeray. From the Works of William Makepeace Thackeray, William Makepeace Thackeray, (18 July 1811 - 24 December 1863) was a British novelist and author. He is known for his satirical works, particularly *Vanity Fair*, a panoramic portrait of English society. Redmond Barry of Bally Barry, born to a genteel but ruined Irish family, fancies himself a gentleman. At the prompting of his mother, he learns what he can of courtly manners and swordplay, but fails at more scholarly subjects like Latin. He is a hot-tempered, passionate lad, and falls madly in love with his cousin, Nora. Sadly, as she is a spinster a few years older than Redmond, she is seeking a prospect with more ready cash to pay family debts. The lad tries to engage in a duel with Nora's suitor, an English officer named John Quin. He is made to think that he has assassinated the man, though his pistol was actually loaded with tow, a dummy load of heavy, knotted, fibres. Quin, struck with the harmless lead, fainted in fright.

**The Letters and Private Papers of William Makepeace Thackeray Feb 20 2022** These two volumes are intended as a supplement to the four-volume edition edited by the late Gordon N. Ray and published by Harvard U. Press and Oxford U. Press in 1945-46. They contain much important material, especially the 350 letters to Thackeray's publishers: Fraser, Bentley, Chapman and Hall, and particularly Bradbury and Evans and Smith. Thackeray's letters to women are especially interesting, for here he expresses his emotions and personality to an unparalleled extent. The letters, addressed to recipients from Ivan Turgenev and Giuseppe Garibaldi to Charles Dickens and Anthony Trollope, and to such friends as the Thomas Carlyles, reflect Thackeray's wide acquaintance with people of different backgrounds and social stations. Barry Lyndon Oct 24 2019 Set in the second half of the eighteenth century, Barry Lyndon is the fictional autobiography of an adventurer and rogue whom the reader is led to distrust from the very beginning. Born into the petty Irish gentry, and outmanoeuvred in his first love-affair, a ruined Barry joins the British army. After service in Germany he deserts and, after a brief spell as a spy, pursues the career of a gambler in the dissolute clubs and courts of Europe. In a determined effort to enter fashionable society he marries a titled heiress but finds he has met his match. First published in 1844, Barry Lyndon is Thackeray's earliest substantial novel and in some ways his most original, reflecting his views of the true art of fiction: to represent a subject, however unpleasant, with accuracy and wit, and not to moralize. The text is that of George Sainsbury's 1908 Oxford edition which restores passages cut when the novel was revised in 1856. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The William Makepeace Thackeray Library Nov 17 2021 First published in 1996, The William Makepeace Thackeray Library is a collection of works written by and about the novelist. This fifth volume contains the memoir of Eyre Crowe, who accompanied Thackeray on his tour of America. The account offers an outsider's glimpse into the professional and public world of William Thackeray whilst on his tour of the United States. It provides the itinerary of the trip, as well as images of the places and people met on the tour, which the reader could not obtain from Thackeray's letters alone. The introduction by Richard Pearson discusses Crowe and Thackeray's relationship, Thackeray's role as a public speaker and his opinion on slavery, a heated issue in both England and America at the time. This book will be of interest to those studying Thackeray and nineteenth-century travel writing and literature.
