[Backpacker](#) Mar 31 2020 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

A Mudbogger and Offroaders Sarcastic Definition of a Redneck Sport Feb 08 2021 This book is a sarcastic look at people who are of the off road crowd and my own personal expeirences in Alaska with friends and family. There's a description of just about every kind of person who hangs around or has hung around the muddin' and offroad scene, from the Idiot to the Go or Blow, yah, i even make fun of my own dunn ass in it haha. Yah there's cussin in it, so I oppologize to those of you who were raised with virgin eyes and ears. Read it anyway, you just might find yourself laughing. Oh, and yes i realize a lot of the spelling is incorrect. Most of this book is written in what i like to call "redneckaneese". Politically incorrect? yah it is, oh well. I'm just a good ol boy and i wrote it for guys and gals like myself to get a laugh, lord knows we all need that as crappy as things are these days.Hope ya'll enjoy it.
