**Gehe hin, stelle einen Wächter** Mar 27 2020 Der sensationelle Manuskriptfund - das literarische Großereignis! Harper Lee hat bisher nur einen Roman veröffentlicht, doch dieser hat der US-amerikanischen Schriftstellerin Weltruhm eingebracht: „Wer die Nachtigall stört“, erschienen 1960 und ein Jahr später mit dem renommierten Pulitzer-Preis ausgezeichnet, ist mit 40 Millionen verkauften Exemplaren und Übersetzungen in mehr als 40 Sprachen eines der meistgelesenen Bücher weltweit. Mit „Gehe hin, stelle einen Wächter“ – zeitlich vor „Wer die Nachtigall stört“ entstanden – erscheint nun das Erstlingswerk. Das Manuskript wurde nie veröffentlicht und galt als verschollen – bis es eine Freundin der inzwischen 89-jährigen Autorin im September 2014 fand. In „Gehe hin, stelle einen Wächter“ treffen wir die geliebten Charaktere aus „Wer die Nachtigall stört“ wieder, 20 Jahre später: Eine inzwischen erwachsene Jean Louise Finch, „Scout“, kehrt zurück nach Maycomb und sieht sich in der kleinen Stadt in Alabama, die sie so geprägt hat, mit gesellschaftspolitischen Problemen konfrontiert, die nicht zuletzt auch ihr Verhältnis zu ihrem Vater Atticus infrage stellen. Ein Roman über die turbulenten Ereignisse im Amerika der 1950er-Jahre, der zugleich ein faszinierend neues Licht auf den Klassiker wirft. Bewegend, humorvoll und überwältigend – ein Roman, der

seinem Vorgänger in nichts nachsteht.

**The Millionaire and the Mum (Mills & Boon Vintage Cherish)** Jun 10 2021 "LOVE IS ABOUT SURVIVAL OF THE FITTEST. SOME MEN FALL, BUT SURVIVORS LIKE ME DON'T." –Jack Stockwell's thoughts on love

**Der Vater des Attentäters** Nov 03 2020 In den USA wird ein Attentat auf den Präsidentschaftskandidaten der USA verübt – und der Verdächtige ist der eigene Sohn. Sprachlos verfolgt der Arzt Paul Allen die Meldung im Fernsehen. Und setzt nun alles daran, die Unschuld seines Sohns Daniel zu beweisen. Geplagt von Vorwürfen, die Erziehung vernachlässigt zu haben, deckt er unglaubliche Ungereimtheiten auf. Immer mehr deutet auf eine Verschwörung hin, bei der sein Sohn das Opfer sein soll. Als Daniel zum Tod verurteilt wird, setzt Allen alles auf eine Karte. Ein intelligenter psychologischer Roman über den Kampf eines Einzelnen gegen staatliche Macht, um Schuld und die Verfehlungen in der Vergangenheit.

**Powerful Black Father** Oct 22 2019 Black Dads Matter It has long been known that father presence in the household is important for the positive well-being of families, neighborhoods, and youth. Dads who actively participate in the lives of their families provide a steady source of stability and support. The consequences of such support impact a whole host of child developmental outcomes, including behavior, academics, and health. Involved fathers are also more likely to engage in positive parenting behaviors like academic intervention;and constructive discipline. The stereotype of Black fathers as "absent" and Black children as "fatherless"-first introduced over 50 years ago-has, like many racial stereotypes, refused to die. In this book, fathers in every kind of parenting situation step up to prove this image of Black Fatherhood is false. Buy now.

The why Report Feb 06 2021

Father-Daughter Relationships May 21 2022 How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, including various theoretical perspectives, are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here.

*Why Parents Matter* Jun 22 2022 Explores the relationship between parents and children and shows how critical parents are in determining which children will be happy and productive.

*My Father's Keeper* Sep 20 2019 "Through the months and years of his parents' decline, Silin reflects on their history as a family, recalling the pain of his father's psychological struggles through midlife and the uneasy, imperfect process of accepting his son as a gay man and accepting his son's partner into the family." "My Father's Keeper is a book about beginnings and endings, loss and redemption, the ethics of intervention, and the pressuring needs of two extremely vulnerable populations."--BOOK JACKET.

**Verity** Jul 19 2019 »Voller aufwühlender Emotionen, düster, faszinierend und extrem süchtig

machend.« TotallyBooked Blog Die Jungautorin Lowen Ashleigh bekommt ein Angebot, das sie unmöglich ablehnen kann: Sie soll die gefeierten Psychothriller von Starautorin Verity Crawford zu Ende schreiben. Diese ist seit einem Autounfall, der unmittelbar auf den Tod ihrer beiden Töchter folgte, nicht mehr ansprechbar und ein dauerhafter Pflegefall. Lowen akzeptiert – auch, weil sie sich zu Veritys Ehemann Jeremy hingezogen fühlt. Während ihrer Recherchen im Haus der Crawfords findet sie Veritys Tagebuch und darin offenbart sich Lowen Schreckliches ... Neu als E-Book verfügbar: ›Verity – Der Epilog zum Spiegel-Bestseller‹, das bislang unveröffentlichte Zusatzkapitel, das alles verändert.

**Do Fathers Matter?** Sep 25 2022 For too long, we've thought of fathers as little more than sources of authority and economic stability in the lives of their children. Yet cutting-edge studies drawing unexpected links between fathers and children are forcing us to reconsider our assumptions and ask new questions: What changes occur in men when they are "expecting"? Do fathers affect their children's language development? What are the risks and rewards of being an older-than-average father at the time the child is born? What happens to a father's hormone levels at every stage of his child's development, and can a child influence the father's health? Just how much do fathers matter? In *Do Fathers Matter?* the award-winning journalist and father of five Paul Raeburn overturns the many myths and stereotypes of fatherhood as he examines the latest scientific findings on the parent we've often overlooked. Drawing on research from neuroscientists, animal behaviorists, geneticists, and developmental psychologists, among others, Raeburn takes us through the various stages of fatherhood, revealing the profound physiological connections between children and fathers, from conception through adolescence and into adulthood—and the importance of the relationship between mothers and fathers. In the process, he challenges the legacy of Freud and mainstream views of

parental attachment, and also explains how we can become better parents ourselves. Ultimately, Raeburn shows how the role of the father is distinctly different from that of the mother, and that embracing fathers' significance in the lives of young people is something we can all benefit from. An engrossing, eye-opening, and deeply personal book that makes a case for a new perspective on the importance of fathers in our lives no matter what our family structure, *Do Fathers Matter?* will change the way we view fatherhood today.

**Adaptation in Young Adult Novels** Jul 31 2020 *Adaptation in Young Adult Novels* argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten. The textual afterlives of classic texts raise questions for new readers: What can be changed? What benefits from change? How can you, too, be agents of change? The contributors to this volume draw on a wide range of contemporary novels – from Rick Riordan's Percy Jackson series and Megan Shepherd's Madman's Daughter trilogy to Jesmyn Ward's *Salvage the Bones* – adapted from mythology, fairy tales, historical places, and the literary classics of Shakespeare, Charles Dickens, Jane Austen, and F. Scott Fitzgerald, among others. Unpacking the new perspectives and critiques of gender, sexuality, and the cultural values of adolescents inherent to each adaptation, the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally, historically, and socially aware through the lens of literary diversity.

**Building Blocks for Father Involvement, Building Block 3: Building a Foundation to Work with Fathers, June 2004** Apr 20 2022

**Boys Raising Babies** Dec 04 2020 The role of adolescent fathers in the lives of their children is a

much neglected area of research in New Zealand, and internationally. This study places adolescent fathers in the limelight and in doing so challenges accepted thinking and policy.

Father's motto; or, The cloud with a silver lining, and other stories Oct 14 2021

**Parents Matter** Aug 12 2021 "Most of the existing literature on homosexuality describes gay males, with lesbian experience sometimes added on like the tail of a kite. This book is different. It draws evenly from the stories of lesbian daughters and gay sons. It was planned that way. This book is different in another way that was not planned, not anticipated. It shows, ever so consistently, that lesbian daughters have more difficulty with their parents than do gay sons ... Why did all these gay children tell their parents? What were the circumstances that led them to this decision? How did they tell them--what words did they use? And how did those parents react--immediately, and months later. This book gives the fascinating answers to all those questions and many more."--Publisher's description.

**Involving Parents** May 29 2020

**How Fathers Care for the Next Generation** Dec 16 2021 Even in this age of working mothers, the role of fathering is often overlooked. This book illuminates the realities of fathering by presenting the results of an empirical study conducted over four decades and covering four generations of fathers and children. Through case studies and data analysis, Snarey demonstrates that men's care for their families reaps immense and long-lasting benefits - for themselves, for their offspring and for future generations. *Reports of Selected Cases Decided in Courts of the State of New York Other Than the Court of Appeals and the Appellate Division of the Supreme Court* Apr 27 2020

Faith of Our Fathers Feb 24 2020 Getting to know the Church Fathers means getting to know our own roots. It means knowing more deeply who we are as we learn more and more about who they are. The early Christians are our ancestors, our common genealogy, our family. When we look to our roots, what do we see? That's what Mike Aquilina shows you in this book. The Fathers managed to pull off an amazing achievement. They converted the pagan world in a mere two and a half centuries. They did it without any resources, without any social or political power. They did it with the most primitive communications media. Yet their Church sustained a steady growth rate of 40 percent per decade over the course of those centuries. Maybe there's something we can learn from them. This book is a journey into that world, a tour where your guides are the Fathers.

*My Father's War* Jan 05 2021 Born in Holland after the war, a son grows up an outsider in the midst of his family. Living in isolation among the dunes of coastal Holland, he looks on as his Indonesian father and sisters are mocked for their 'yellow skin', endures the bizarre and brutal military training his father puts him through, and wonders about the hardships his family suffered but never discusses. Years later, the middle -aged son begins a quest into his family's past in Indonesia, and the origins of his father's strange mix of charm and cruelty. Despite his sister's denial and his mother's evasiveness, details surface about the incredible endurance of his father, one of the few survivors of torture in the camp. Returning always to the Dutch coast where he spent his childhood, the man comes to a final acceptance of his father and a new understanding of their relationship.

*Working with Risky Fathers* Mar 19 2022

*The Time Has Come* Feb 18 2022 “For too long the struggle for the rights of women and girls was seen

as women’s business. Of course, it’s equally men’s business and stops being such a struggle when it’s seen that way. This reframing gives us a chance to understand violence against women as deeply toxic for us all.” —Phumzile Mlambo–Ngcuka, UN Under–Secretary–General and Executive Director of UN Women *The Time Has Come* explores how a patriarchal culture that has given power to men comes at a huge cost to women, children, and, surprisingly, to men as well. It details how very achievable changes in our workplaces, in the ways we raise boys to be men, and in the movement to end men’s violence will bring significant rewards to communities all around the world. Michael Kaufman is the cofounder of the White Ribbon Campaign—the largest international network of men working to end violence against women—and for decades has been an advisor on gender equality to the United Nations, governments, NGOs, schools, and workplaces around the world. With honest storytelling, compassion, and hard–hitting analysis, *The Time Has Come* is a compelling look at why men must take a stand in the fight for general equality.

Pre-Father Care: Prenatal Care for Fathers Dec 24 2019 Pre-Father Care establishes a safe environment where fathers and father figures can receive support (in the comfort of their own homes or in a group setting) in exploring their past hurt. Through a series of reflection exercises and powerful messages, fathers / father figures will reconnect with their strengths and learn to accept the scars from their past in a nonjudgmental way.
