Ethnographers Before Malinowski Jun 07 2020 Focusing on some of the most important ethnographers in early anthropology, this volume explores twelve defining works in the foundational period from 1870 to 1922. It challenges the assumption that intensive fieldwork and monographs based on it emerged only in the twentieth century. What has been regarded as the age of armchair anthropologists was in reality an era of active ethnographic fieldworkers, including women practitioners and Indigenous experts. Their accounts have multiple layers of meaning, style, and content that deserve fresh reading. This reference work is a vital source for rewriting the history of anthropology.

What Katie Did Oct 04 2022 Katie Langloh Parker was a white woman who notated the Aboriginal language Euahlayi and collected the legends from the Noongahburrahs in the latter decades of the nineteenth century. But her publication of the legends is controversial. There have been both critical and supportive critiques of her work, but little on the woman herself who accomplished something extraordinary as a nineteenth century squatter's wife in the outback.

Tragedy seems to stalk Maura, and those around her, as she stumbles along, altering the young changeling's family, just when they have all come back together. The changes left in its wake could be for the better, or may threaten their existence, entirely. With the arrival of Christmas comes the opportunity for Maura to draw close to everyone she loves—and finally reunite with Ron, the man she loves. But permanence has always eluded her, and in her current state of flux this pattern endures, as fate seems intent on snapping the threads that bind her to those she holds most dear. Aldiva's wrath calls forth other members from both Vancouver covens, forcing them to rush to Maura's aid—even though her father, their king, has expressly forbidden the other vampires to initiate contact with his daughter. Will her extended family on Vancouver Island obey, abandoning Maura to her doom, or will they instead rebel against Maxwell's wishes in order to save her life? Can she be saved or will the riptide drag Maura under...along with those she loves the most... Red Carpets & White Lies May 19 2021 In a city known for its never-ending parties, Miami socialite Leigh Anatole White hosts the most extravagant party of them all. Her annual Charity Ball, a star-studded benefit for troubled teens, is the most highly anticipated event of the season, and Leigh pulls out all the stops to ensure it doesn't disappoint. This year—the tenth anniversary of the Ball—Leigh has decided to give Miami one last blowout before relinquishing her title as hostess. Suffice it to say, the pressure is on:

this year's Charity Ball simply must be the best yet. With help from her committee, a few close friends, a masterful personal assistant and her supportive husband, Leigh is poised to deliver. Even the dirty secrets and entanglements of her friends and pseudo-friends—the good-hearted, hard-drinking gossip queen Dixie Johnson; drag queen extraordinaire Diva Elaine Manchester; and bronzed, botoxed and backstabbing Katie Parker, to name a few—can't slow her down. When an influential art dealer shows up, offering to provide high-end artwork for the Charity Ball's auction, Leigh is thrilled. This is just what the gala needs to set it apart from previous years', and after all of Leigh's hard work, it looks as though the last Charity Ball may just live up to the hype. But as always in the world of Miami's rich and shameless, a scandal is never far off...and this one hits everyone close to home.

The Autobiography Apr 05 2020 A no-holds-barred story of what it takes to reach the top, and stay there, in the world's most dangerous sport - three day eventing. At the age of forty-seven Mary King won a Team Bronze at the Beijing Olympics. In the two 'Cavaliers' - 'Call Again Cavalier' and 'Imperial Cavalier' - she has two of the very best event horses in the world. Mary King's success in the world of eventing (now officially classed as the most dangerous sport in the world) has been hard won. She does not come from a privileged background - her father a verger and a long-term invalid so money was very tight. Her first pony was the ancient 'cast off' from the local vicar's children - and success with this pony gave her an iron will to succeed. And succeeded she has. To support herself in the early days she had a variety of unglamorous jobs (this included butcher delivery rounds and cleaning out toilets in the local campsite). Her talent was apparent from very early on and she first competed at Badminton in 1985, had her first win there on King William in 1992 and her second on Star Appeal in 2000. Just when everything seemed to be going well she suffered a terrible fall in 2001 and broke her neck but she was back competing at the very top level the following year. Fully updated for the paperback with the 2010 season, including Team GB's gold medal-winning performance at the World Equestrian Games, this is a fascinating account from inside the world's most dangerous sport.

Wilde Mädchen Sep 03 2022 In diesem beeindruckenden Bildband versammelt die Fotografin Kate T. Parker mehr als 175 Aufnahmen von Mädchen im Alter von 5 bis 18 Jahren. Sie porträtiert abenteuerlustige, freche und neugierige, aber auch ruhige, nachdenkliche und kreative Mädchen. Eines haben sie alle gemeinsam: Sie sind authentisch und mutig genug, sich vor der Kamera so zu zeigen, wie sie wirklich sind: wild, frei und wunderbar! Ihre Aufnahmen beweisen, dass wahre Schönheit nichts mit einer bestimmten Körperform zu tun hat, nichts damit, ob man lächelt, seine Haare frisiert oder sich hübsch zurechtgemacht hat. Dieser unvergessliche Fotoband sprengt alle Stereotype und zeigt, dass Mädchen alles sein können, was sie wollen – solange sie sie selbst sein dürfen.

The Dead Queens Club Dec 14 2020 If your school's homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You'd think being the new girl in a tiny town would equal one very boring senior year. But if you're me—Annie Marck, alias Cleves—and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he's the jock, the genius and the brooding bad boy all in one. Which sort of explains why he's on his sixth girlfriend in two years. What it doesn't explain is why two of them—two of us—are dead. My best friend thinks it's Henry's fault, which is obviously ridiculous. My nemesis says we shouldn't talk about it, which is straight-up sketchy. But as the resident nosy new girl, I'm determined to find out what really happened to Lancaster's dead queens...ideally before history repeats itself.

Since then, Chowan College has enjoyed a myriad of successes, including being named one of the South's premier third-tier comprehensive colleges and ranked ninth in terms of diversity by U.S. News and World Report. Recognized for such programs as elementary education, graphic communications, and environmental science, Chowan College is truly one of the South's hidden treasures. The black-and-white images in Chowan College trace the vast history of the school's existence, while also capturing the natural beauty of the campus. Through the vintage photographs and accompanying narrative, Chowan College's tradition unfolds—providing a detailed glimpse of the institution's athletic, extracurricular, social, and aesthetic history. This pictorial chronicle also showcases the architecture of the campus and displays the familiar faces of Chowan's past.

Black Holes Apr 29 2022 This new series allows readers to take a look at some of science's biggest concepts After She Knew Feb 25 2022 Sex, lies, and betrayal brought them here... It's only been a short time since Katie Parker's husband of twenty years left their oceanfront cottage and she filed for divorce after learning of his affairs with two women - one of whom stalked her, tried to kill her, and framed her for a vehicular homicide. Instead of dwelling, she continued her court-ordered therapy, and looked ahead to meeting with a producer interested in adapting the book into a TV series. It felt like her life was moving forward, until she was informed there were issues with the upcoming trial, her stalker was out on bail, and a tabloid reporter was having a field-day with salacious content they received - some of which included images of Katie. Katie remembered her stalker's words of warning: "I won't let you rest." She doubled security cameras around her cottage, but refused to let a deranged woman rule her life. The last thing she expected was to have her dog, Bailey, discover a woman hiding in the seagrass during their morning jog. Too traumatized to speak, Katie convinced the woman to come inside. When she offered to call for help, the woman panicked, and nearly jumped out of her skin when somebody pounded at the door. Once Katie started digging for answers, it was a fight for her survival when she wound up on a hit list and the only individual who might be able to help was the connected stepfather of her stalker. Katie doesn't believe in coincidences ... do you?

Only this time, the flame she fans with Lauren Everhart burns too hot and so quickly it threatens to sear through Marsh's impenetrable control.

Du bringst mein Leben so schön durcheinander Oct 31 2019 Eine poetische Liebesgeschichte für alle Fans von "Eleanor & Park" und "Schlaft gut, ihr fiesen Gedanken" Ava und Gideon könnten auf den ersten Blick nicht unterschiedlicher sein. Ava ist das beliebteste Mädchen der Schule und Gideon der schüchterne Junge von nebenan. Gemeinsam haben sie nur eines: Ihr Leben ist aus unterschiedlichen Gründen aus dem Takt geraten. In der Schule lagen Welten zwischen ihnen, aber beim Nebenjob im Schnellrestaurant lernen die beiden sich kennen. Ava mag Gideon sofort, weil er anders zu sein scheint. Zum Beispiel als er zugibt, weder ein Handy noch Internet zu haben und vorschlägt, stattdessen Briefe zu schreiben. Ganz zart entspinnt sich zwischen den beiden eine Freundschaft, in der sie sich gegenseitig Halt geben und miteinander lachen können. Als aus der Freundschaft Liebe wird, wird noch einmal alles kräftig durcheinandergewirbelt.

The Lost Girl of Astor Street Jan 03 2020 When her best friend vanishes without so much as a good-bye, eighteen-year-old Piper Sail takes on the role of amateur sleuth in an attempt to solve the mystery of Lydia's disappearance. Given that Piper's tendency has always been to butt heads with high-society's expectations of her, it's no surprise that she doesn't give a second thought to searching for answers to Lydia's abduction from their privileged neighborhood. As Piper discovers that those answers might stem from the corruption strangling 1924 Chicago—and quite possibly lead back to the doors of her affluent neighborhood—she must decide how deep she's willing to dig, how much she should reveal, and if she's willing to risk her life of privilege for the sake of the truth. Perfect for fans of Libba Bray and Anna Godbersen, Stephanie Morrill's atmospheric jazz-age mystery will take readers from the glitzy homes of the elite to the dark underbelly of 1920s Chicago.

Television Movies of the 21st Century Feb 13 2021 For the major broadcast networks, the heyday of made-for-TV movies was 20th Century programming like The ABC Movie of the Week and NBC Sunday Night at the Movies. But with changing economic times and the race for ratings, the networks gradually dropped made-for-TV movies while basic cable embraced the format, especially the Hallmark Channel (with its numerous Christmas-themed movies) and the Syfy Channel (with its array of shark attack movies and other things that go bump in the night). From the waning days of the broadcast networks to the influx of basic cable TV movies, this encyclopedia covers 1,370 films produced during the period 2000-2020. For each film entry, the reader is presented with an informative storyline, cast and character lists, technical credits (producer, director, writer), air dates, and networks. It covers the networks (ABC, CBS, Fox, Ion, and NBC) and such basic cable channels as ABC Family, Disney, Fox Family, Freeform, Hallmark, INSP, Lifetime, Nickelodeon, Syfy, TBS and TNT. There is also an appendix of "Announced but Never Produced" TV movies and a performer's index.
