**Prospero's Children** Oct 04 2022 Sixteen-year-old Fern Chapel rediscovers the secret and powerful magic of Atlantis

[The Greenstone Grail: The Sangreal Trilogy One](#) Dec 14 2020 The first book in a brand new trilogy from the author of Prospero's Children.

[Prospero's Children](#) Aug 02 2022 It began ages past in fabled Atlantis, when a mad, power-hungry queen forged a key to a door never meant to be opened by mortal man--its inception would hasten her own death and the extinction of her vainglorious race. For millennia the key lay forgotten beneath the waves, lost amid the ruins of what had been the most beautiful city on Earth. But however jealously the sea hoards its secrets, sooner or later it yields them up. Now, in present-day Yorkshire, that time has come. And for young Fernanda Capel, life will never be the same again . . .

[The Dragon Charmer](#) Jul 01 2022 In the enchanting novel Prospero's Children, Jan Siegel introduced an extraordinary heroine and the lushly evocative world of wonders and terrors that quickly enveloped her normal adolescent life. Now Siegel summons us back to the magic with the continuing story of Fern Capel--and the remarkable power of her extraordinary Gift . . . After surviving an amazing, terrifying summer twelve years ago, Fern makes a fateful decision: to deny the mystical powers that pulse through her family's past. Yearning for a simple, quiet life, she decides to marry a man twenty years her senior, a man who insists they wed at the Capels' summer house in Yarrowdale, a place swelling with mood, marvel, and magic. For when Fern returns there with her best friend, Gaynor, ancient, sinister forces reawaken. Yet Fern has had enough: Enough of running from her fate, enough of hiding from her Gift. As she turns to face her destiny, the real world falls away, and Fern is once again swept into another land, removed from Time, void of comfort. It will take all her skill and daring to fight her way back to the present and save the people she loves from the ever-growing danger that threatens to destroy them. And to her utmost surprise, the key to survival is a

dragon with the capacity to rule the world . . . but who will relinquish it all to one man. Jan Siegel has created an intense, fascinating world. To surrender yourself under her captivating spell is to remember how remarkably powerful a literary voyage can be.

[Anti-Jewish Violence in Poland, 1914-1920](#) Aug 29 2019 Widespread anti-Jewish pogroms accompanied the rebirth of Polish statehood out of World War I and Polish-Soviet War. William W. Hagen offers the pogroms' first scholarly account, revealing how they served as brutal stagings by ordinary people of scenarios dramatizing popular anti-Jewish fears and resentments. While scholarship on modern anti-Semitism has stressed its ideological inspiration ('print anti-Semitism'), this study shows that anti-Jewish violence by perpetrators among civilians and soldiers expressed magic-infused anxieties and longings for redemption from present threats and suffering ('folk anti-Semitism'). Illustrated with contemporary photographs and constructed from extensive, newly discovered archival sources from three continents, this is an innovative work in east European history. Using extensive first-person testimonies, it reveals gaps - but also correspondences - between popular attitudes and those of the political elite. The pogroms raged against the conscious will of new Poland's governors whilst Christians high and low sometimes sought, even successfully, to block them.

[Rose Alchemy](#) Jul 21 2021 The second book in the Rose Trilogy is Rose Alchemy--The Reiki/Seichim Integration. In Atlantis the members of the arcane rose mystery schools understood that the rose is not merely a flower or a symbol--the rose is a living deity and a spiritual being in its own right. The rose energy takes us all beyond our current definitions of metaphysics, mastery, and oneness. It catapults the energy systems of Reiki and Seichim into a new form. Whatever the colour, whatever the meaning, the rose in its many forms speaks a universal language. It moves us beyond individuality. And roses--roses are nature's most perfect potent and diverse expression of beauty and passion. They symbolise exquisite love, power, and royalty; at the same time they prod us with their thorns and move us to a state of receptivity. The merger of Reiki and Seichim into rose alchemy brings us into a gentle state of being our true selves. Both these rose books are currently available from Amazon.com or via the website [www.RoseSeichim.com](#). They will soon be available from Balboa Press in e-book format. Enjoy the journey of the rose!

**Vellum** Feb 25 2022 Das mächtigste Buch der Welt Im düsteren Gewölbe einer schottischen Bibliothek stößt Reynard Carter auf das legendäre Ewige Stundenbuch. In diesem Buch soll nicht nur das Schicksal unserer Welt geschrieben stehen, sondern auch die wahren Namen aller Lebewesen, die jemals existiert haben. Wer diese Namen kennt, hat Macht über ihre Träger, ihm offenbaren sich die Geheimnisse des Universums. Als Carter das Buch öffnet, verändert sich alles - und er bricht auf zu einer Reise, die ihn an die Grenzen der Wirklichkeit führt ...

**Die Rückkehr des Hexenmeisters** Oct 24 2021 Eines Tages begegnet Kyra in dem kleinen Städtchen Giebelstein einer wunderschönen, doch unheimlichen Frau. Sie berichtet ihrer Tante davon, die ihr eine fast unglaubliche Geschichte von Hexenzirkeln und dem bösen Hexenmeister erzählt.

**Aufbruch im Kopf** Jun 07 2020 Im Alter zwischen 12 und 24 Jahren finden tief greifende Veränderungen in den Gehirnen von Jugendlichen statt. Dies äußert sich meist in einem grundlegend veränderten und scheinbar irrationalen Verhalten und bringt die Jugendlichen sowie auch ihre Eltern oft genug an den Rand des Wahnsinns. Aufbruch im Kopf erklärt die wirklichen Vorgänge in den Gehirnen der Pubertierenden und zeigt, dass es sich nicht nur um eine komplizierte, sondern vor allem um eine sehr lebendige Phase im Leben handelt, in der die Weichen für das Erwachsenendasein gestellt werden. Während dieser Zeit eignen sich die Jugendlichen wichtige Fähigkeiten an, verlassen zum ersten Mal ihr Zuhause, lernen, tief gehende Verbindungen mit anderen einzugehen und mit den komplexen Problemen der Welt um sie herum umzugehen. Anhand neuester Erkenntnisse auf dem Gebiet der Neurobiologie beschreibt Siegel auf anschauliche Weise, wie die Funktionen des Gehirns die Beziehungen Heranwachsender erfüllender gestalten und ihr Leben verbessern können - und wie damit die Zeit der Pubertät für alle Beteiligten weniger anstrengend wird. Ein Buch, das Familien nicht nur helfen wird, diese Zeit zu überleben, sondern sogar zu genießen und aus ihr zu lernen.

**Pubertätskrisen junger Mädchen** Jul 29 2019 Halt geben, ohne zu kontrollieren, und Freiheit gewähren, ohne die Grenzen zu verlieren - die Pubertät ist nicht nur für Töchter eine schwierige Zeit. Vielen Eltern ist meist gar nicht bewusst, dass sie ihren Töchtern mit

widersprüchlichen Rollenerwartungen die ohnehin schon schwierige Zeit zusätzlich erschweren. Mit Mary Pipers Hilfestellungen können Eltern ihren Töchtern die Unterstützung geben, die diese so dringend brauchen, ohne sie einzuengen. (Dieser Text bezieht sich auf eine frühere Ausgabe.)

*Poisoned Crown* Oct 31 2019 Fantasy-roman.

The Fire Children Nov 24 2021 Fifteen years have passed since Mother Sun last sent her children to walk the world. When the eclipse comes, the people retreat to the caverns beneath the Kaladim, passing the days in total darkness while the Fire Children explore their world. It's death to even look upon them, the stories say. Despite the warnings, Yulla gives in to her curiosity and ventures to the surface. There she witnesses the Witch Women - who rumors say worship dead Father Sea, rather than Mother Sun - capturing one of the Children and hauling her away. Yulla isn't the only one who saw the kidnapping; Ember, the last of the Fire Children, reveals himself to Yulla and implores her to help. Trapped above and hunted by witches and the desert wind, Yulla and Ember must find a way to free his siblings and put a stop to the Witch Women's plans, before they can use the Fire Children to bind Mother Sun herself.

Sibling Relations and Gender in the Early Modern World Apr 29 2022 Focusing attention on the neglected area of relations between brothers and sisters during the early modern period, this volume explores the sibling dynamics that shaped family relations in Italy, England, France, Spain, and Germany. Using an array of feminist and cultural studies approaches, prominent scholars consider sibling ties from a range of interdisciplinary perspectives - including art history, musicology, literary studies, and social history - to articulate underlying paradigms according to which sibling relations were constructed.

**Achtsame Kommunikation mit Kindern** Jan 27 2022

Langfristig investieren Sep 22 2021 Manche Menschen halten die Arbeit des Datensammelns für geradezu tödlich langweilig. Andere sehen sie als Herausforderung. Und Jeremy Siegel hat daraus eine Kunstform gemacht. Man kann die Bandbreite an Argumenten, die Klarheit und das pure Vergnügen nur bewundern, mit denen Professor Siegel sein Anliegen untermauert, Aktien als Langfristanlage zu empfehlen. Dieses Buch enthält viel mehr als der Titel besagt. Sie lernen eine Menge über Wirtschaftstheorie, garniert mit einer

faszinierenden Geschichte der Kapitalmärkte und der amerikanischen Wirtschaft. Indem Professor Siegel die historischen Daten mit maximaler Effektivität einsetzt, verleiht er den Zahlen ein Leben und eine Bedeutung, die sie in einem weniger fesselnden Umfeld niemals hätten.

**The Traitor's Sword** Mar 05 2020 The second part of the fairytale, 'Sangreal Trilogy', from the author of 'Prospero's Children'.

*The A to Z of Fantasy Literature* Dec 26 2021 Once upon a time all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century, when it enjoyed a spectacular resurgence in every stratum of the literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins of literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition and the reasons for its changing historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors, ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature, through bibliographies and accounts of the fantasy literature of different nations, to individual author studies and useful websites.

**The Emotionally Disturbed Child in the Classroom** Dec 02 2019

Die Alchemie der Gefühle May 19 2021 Der Weg zu emotionaler Souveränität Im Inneren eines jeden von uns verbirgt sich ein Ozean voller Gefühle, Erinnerungen und Träume - aber auch voller Ängste, Groll und Enttäuschungen. Diese können, wenn sie unbewusst bleiben, unser Denken und Handeln auf zerstörerische Weise beeinflussen. Daniel Siegel, ein Pionier auf dem Feld der Neurowissenschaften, hat in 25-jähriger Forschungsarbeit eine therapeutisch einsetzbare Methode entwickelt, mit deren Hilfe wir eine klarere Sicht auf unsere eigene Innenwelt und die unserer Mitmenschen erlangen. Er nennt sie Mindsight. Einfühlsam und anhand vieler Fallgeschichten führt er uns auf eine faszinierende Reise durch die Welt unserer Emotionen und zeigt, wie wir mithilfe von Mindsight Traumata aus der Vergangenheit heilen und die Gegenwart glücklicher gestalten können. Es ist tatsächlich möglich, unser Hirn völlig neu zu »verdrahten«, so dass negative Erfahrungen unser Handeln nicht länger sabotieren. »Die

Alchemie der Gefühle« bietet einzigartiges psychologisches Handwerkszeug, um unsere emotionale und soziale Intelligenz nachhaltig zu steigern. Ein Buch, das die Art und Weise, wie wir über uns denken, verändern wird.

Aktien für die Ewigkeit May 07 2020 DAS Standardwerk für die richtige Portfoliostrategie und eine kontinuierliche Rendite in allen Marktphasen. Der Bestseller "Stocks for the Long Run" in der 5., komplett überarbeiteten Auflage. Weltweit schwankende Aktienmärkte - die Zeiten sind chaotisch. Viele Anleger ziehen sich von den Börsen zurück oder wagen sich gar nicht erst an den Aktienmarkt. Und doch gibt es zahlreiche Möglichkeiten, das eigene Anlageportfolio so aufzubauen, dass trotz aller Unwägbarkeiten, unabhängig von der Lage an den Märkten, regelmäßige und dauerhafte Renditen erzielt werden können. Jeremy Siegels Klassiker stellt die wichtigsten Kriterien zusammen, die jeder Aktionär berücksichtigen sollte, um sein Portfolio möglichst stabil und sicher zu gestalten. Er zeigt die wichtigsten Kennzahlen und Strategien auf und erläutert, wie risikoarme aber renditestarke Investments funktionieren. Neben diesen ganz konkreten Investmentstrategien liefert er langfristige Einschätzungen des Marktgeschehens und der Konsequenzen für Anleger.

Das glücklichste Kleinkind der Welt Jan 15 2021 Für Eltern, Großeltern, Erzieher und Tagesmütter »Die Welt vom einzigartigen Standpunkt unserer Kinder aus betrachten ...« Mit Dr. Harvey Karp können Eltern die Zeit zwischen dem ersten und vierten Lebensjahr eines Kindes genießen. Um Kleinkinder liebevoll zu erziehen, muss man ihre Art des Denkens und Begreifens verstehen lernen. Wutausbrüche, Geschrei und Trotzanfälle gehören dann bald der Vergangenheit an. Das Ergebnis: zufriedene Eltern und glückliche Kleinkinder. Die Ergänzung zu »Das glücklichste Baby der Welt«.

**The Dragon-Charmer** Nov 05 2022 English fantasy at its best, The Dragon-Charmer follows the exciting debut from Jan Siegel, Prospero's Children.

The Witch Queen Sep 03 2022 Jan Siegel has created one of the most compelling fantasy series in recent memory. What began with Prospero's Children and continued with The Dragon Charmer now comes to a dazzling conclusion with The Witch Queen. Magnetically gifted Fern Capel has at last come into her own with her magical powers—and just in time. . . . It is a fearsome world of witches, dragons, and goblins, where a gnarled tree bears fruit of human heads. Fern Capel believes she has left it all behind. But now that world is seeping into modern day England: The witch-queen Morgus, who had imprisoned Fern in the ghostly Otherworld, has returned from countless years of exile beneath the gruesome Eternal Tree. Stalking the twenty-first century in her Prada stilettos, Morgus has the mindset of the Dark Ages and vows to rule the ancient kingdom of Logrez, now modern Britain. Most of all, Morgus wants revenge on Fern Capel. Rejuvenated through sorcery, neither charm nor weapon

can harm the witch-queen. She has planted a cutting from the Eternal Tree in the real world and awaits with impatience the ripening of its terrifying bounty. When Fern learns that her enemy cannot be defeated through conventional means, she turns to her best friend, Gaynor, her brother, Will, her old mentor, Ragginbone, and Maldo, the goblin-queen. Together, they track Morgus through London's high-society parties and seedy, sinister contacts, until they finally draw a magic circle in a Soho basement. Fern Capel knows that survival is not enough: This time she must win. But she does not yet understand how high a price she will have to pay. In this thrilling final novel of her acclaimed trilogy, Jan Siegel takes advantage of her greatest strengths as a writer—weaving magic into a modern-day world and bringing vivid life to a host of characters that readers will not soon forget.

**Looking Forward, Looking Back** Jun 19 2021 How is the life-altering event of migration narrated for children, especially if it was caused by Anti-Semitism and poverty? What of the country of origin is remembered and what is forgotten, and what of the target country

when the migration is imagined there a century later? Looking Forward, Looking Back examines today's representation of Jewish mass migration from Eastern Europe to America around the turn of the last century. It explores the collective story that emerges when American authors look back at this exodus from an Eastern European home to a new one to be established in America. Focusing on children's literature, it investigates a wide range of texts including young adult literature as well as picture books and hence sheds light on the dynamics of the verbal and the visual in generating images of the self and other, the familiar and the strange. This book is of interest to scholars in the field of imagology, children's literature, cultural studies, American studies, Slavic studies, and Jewish studies.

*Book Review Digest* Jul 09 2020

**The Chosen Folks** Nov 12 2020 Texas has one of the largest Jewish populations in the South and West, comprising an often-overlooked vestige of the Diaspora. The Chosen Folks brings this rich aspect of the past to light, going beyond single biographies and photographic

histories to explore the full evolution of the Jewish experience in Texas. Drawing on previously unpublished archival materials and synthesizing earlier research, Bryan Edward Stone begins with the crypto-Jews who fled the Spanish Inquisition in the late sixteenth century and then discusses the unique Texas-Jewish communities that flourished far from the acknowledged centers of Jewish history and culture. The effects of this peripheral identity are explored in depth, from the days when geographic distance created physical divides to the redefinitions of "frontier" that marked the twentieth century. The rise of the Ku Klux Klan, the creation of Israel in the wake of the Holocaust, and the civil rights movement are covered as well, raising provocative questions about the attributes that enabled Texas Jews to forge a distinctive identity on the national and world stage. Brimming with memorable narratives, The Chosen Folks brings to life a cast of vibrant pioneers.
