The Awakening of Global Consciousness Sep 03 2020 One of the world's leading spiritual teachers returns with an inspiring and provocative message with solutions to our planetary crises, offering effective steps to change the world and integrate all levels of our Being. Religion is psychological entrapment promoting the controlled behavior of the herd civilization. Institutionalized organized religion is the cause of enslavement, violence, prejudice, hatred, classism, and war. False religious institutions created god in their own personal image and after the likeness of their own mind for control and money. Every religious holy book has been altered, dissected, rewritten, and censored to appear as the word of God, and all the gods of religious holy books are controlled by fundamentalists. Organized religion is a serious threat to the human race and a mental illness that afflicts over 80% of the world's population. It has nothing to do with spirituality and is no more than a collection of unholy lies. The spiritual terrorism of religion frowns upon free will, dispises questions, prohibits doubt, and survives on blind faith. Eternal life with God is only promised to the obedient religious-slaves who unconditionally follow rigid religious belief structures. This mythology was created based on division, not unity. Control is the essence of evil. The easiest way to control humanity is through fear, which is why the religious Elite created gods of intimidation and fear; to control others and solicit money. "The Awakening of Global Consciousness is a must read for the millions who've read Jawara's earlier classic books and a great beginning for those unfamiliar with his great works questioning the validity of the world's three major religions."

Popular Mechanics Aug 26 2022 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Poisoned Petals Mar 29 2020 Peggy Lee is just about to deliver some endangered sunflowers to Darmus Appleby when a gas explosion blows out his door—and Peggy finds her fellow botanist dead on the kitchen floor. And it's only two weeks later when Darmus's brother dies, after being found unconscious in a community garden with his brother's wedding ring in one hand and—in his pocket—a lovely purple Hyacinth with an overpowering scent. Now Peggy must follow her nose—and some cryptic clues from an internet informant—to root out a killer before he strikes again. Gardening tips included!

On the Road to Here Jun 19 2019 Robert Kugler, author of THE LAST GOOD DAY and winner of the 2020 Virginia Author Project YA Book of the Year, presents book two in the Avery & Angela series, ON THE ROAD TO HERE. With his first semester and her four months of chemotherapy completed, Avery is anxious to finally spend time with Angela. But her doctors and her family have other ideas. Being a normal couple was always going to be a challenge, but things only get harder and weirder as they navigate their first time alone together since summer, their exhausting parents and her drunk uncle. Add in a series of unexpected medical tests and the world's strangest audition and Avery & Angela find themselves hurtling towards uncertainty. Can they overcome her cancer, family drama, and the great unknowns ahead of them? Will their newfound love for one another survive Winter Break? For that matter, will they? Avery & Angela face far more than one bump ON THE ROAD TO HERE. Book #3, WHEN ONLY LOVE REMAINS is available now, as is the fourth and final book in the series, LOVE WILL COME TO YOU.

Once More to Die Dec 26 2019 Retired hitman and gangster, escaped convict, former Marine, outlaw biker, and French Foreign Legionnaire Tommy Atkins is hiding out in the Florida Everglades. When a chance encounter leads him to rescue beautiful freedom blogger Maria Elena from rape and murder, they find themselves on the run from a rogue ex-pat Cuban anti-revolutionary militia group, the U.S. Marshal Service, a CIA and FBI joint task force, an infamous Mexican hitman, and the Tampa and Las Vegas Mafia. Their only hope is to fight their way across the country to try to resolve the militia group to which Maria Elena is heir. Along the way, Atkins teaches Elena Maria the lethal arts and how to survive in his underground world--abilities they must put to good use. Only the fact that he is one of the most dangerous men in the world has kept them alive. The prize at the end of their road? Nothing less than controlling all commerce with Cuba as the Castro brothers regime comes to an end! But only if they live long enough to see the payoff...

Popular Science Jun 12 2021 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Lemon-Aid New and Used Cars and Trucks 1990–2015 May 31 2020 Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than 42 years, pulls no punches.

Nemesis Jul 01 2020 What if the story of creation as told by the Bible was written to mask the real truth – the truth that God and Satan were vampires. The two suns rising in the east signifies the Apocalypse, and Mankind is at the brink of extinction. Apollyon is ready to fulfil his quest to become God. Will this be the start of a new Blood Reign, or is Elisabeth St. James the chosen one?

Popular Mechanics Oct 28 2022 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Runner's World May 23 2022 Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.

Popular Science Mar 09 2021 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Lemon-Aid Used Cars and Trucks 2012–2013 Aug 22 2019 Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Lemon-Aid Used Cars and Trucks 2011–2012 Feb 26 2020 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.
