[Essentials of Business Law](#) Oct 31 2022 "The new, eleventh edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the ten prior editions successful, this new edition includes a chapter on the areas of law affected by social media, updated content, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease-of use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law"--

[Introduction to Air Law](#) Aug 17 2021 The world of aviation has moved on rapidly since the appearance of the ninth edition of this pre-eminent resource five years ago. Those developments pertain to market access and market behaviour by air carriers, including competition, new perceptions of safety and security, among others, in relation to transparency of accident investigation and cybersecurity, case law in the area of airline liability, with new cases from the United States, product liability and insurance, the United Kingdom, and elsewhere, the growing importance of environmental concerns, the rights and obligations of passengers, also in the context of 'unruly' passengers, and innovative methods for financing aircraft. Special attention has been paid in this edition to regional integration movements, especially in Europe, affecting the mentioned subjects. The book's extensive references to other sources in the field have been expanded and updated by the author and experts in specialised areas. The present edition addresses the following topics: the regulatory framework governing the operation of air services, including the principle of sovereignty in national airspace; the distinction between State and civil aircraft; dispute settlement in international civil aviation; economic regulation of international air transport services, including the establishment of air services agreements; inter-airline cooperation in the context of competition law regimes; liability of the various service providers, in particular airlines, and related insurance coverage; the promotion of safety standards; criminal acts affecting the safety of aviation; the role of international and regional organisations with particular reference to that of the European Union; liability of the aircraft manufacturer for equipment; and financial and security interests in mobile equipment. The many practitioners, officials, business people, and academics with a professional interest in aviation law will appreciate this new edition as one of the fundamental works in the field, and newcomers will discover an incomparable resource. This eleventh edition is ready to be of unmatched service to any practising member of the air law community anywhere in the world.

[Modern Constitutional Law](#) Oct 26 2019 This title is a part of our CasebookPlus(tm) offering as ISBN 9781634595179. Learn more at CasebookPlus.com. Since the first publication of Modern Constitutional Law a third of a century ago, it has continued to be one of the best sellers in a very competitive market. Over the years, many law professors have adopted this user-friendly casebook - which is no surprise, given the rave reviews that this book has enjoyed. For example, Professor Thomas E. Baker stated that he has "been so loyal to the Rotunda brand name over the years," because it "remarkabl[y]" manages "to include all the important cases yet preserves a fuller set of opinions to guarantee 'thoughtful classroom discussion'." This Eleventh Edition incorporates the many changes in Constitutional law, such as new limits on the Commerce Clause and Spending Power, the Second Amendment, expanded Free Speech protections, and new limits on affirmative action, the President's executive power, and federal power to enforce voting rights. In addition to the 11th Edition Standard Version, Rotunda now offers an Abridged Edition, particularly appropriate for those professors offering a shorter course. This abridged version covers most of topics of the expanded version but does not include topics that a shorter course would not normally include.
