Ancient Syracuse Oct 20 2021 Syracuse possesses a unique place in the history of the ancient Mediterranean because of its contribution to Greek culture and political thought and practice. Even in the first century BC Cicero could still declare 'You have often heard that of all the Greek cities Syracuse is the greatest and most beautiful.' Sicily's strategic location in the Mediterranean brought the city prosperity and power, placing it in the first rank of states in the ancient world. The history and governance of the city were recorded from the fifth century BC and the volume of literary sources comes close to matching the records of Athens or Rome. Combining literary and material evidence this monograph traces the history of Syracuse, offering new arguments about the date of the city's foundation, and continues through the fifth century when, as a democracy, Syracuse's military strength grew to equal that of Athens or Sparta, surpassing them in the early fourth century under the tyrant Dionysius I. From ca. 350 BC, however, the city's fortunes declined as the state was wracked with civil strife as the tyranny lost control. The result was a collapse so serious that the city faced complete and imminent destruction.

Grace Jun 03 2020 The best-selling author of *The Christmas Box* and *Finding Noel* presents an inspirational tale of hope, love, and faith set during the holiday season. (General Fiction)

Timepiece Aug 18 2021 Follows the love story of MaryAnne and David Parkin as they struggle with the lessons of love, loyalty, and forgiveness and cope with tragedy, in a story about the gifts we pass on to our children.

Open the Safe of Be a Millionaire Now Mar 13 2021 Allow me to teach you the most comprehensive book ever written on being a millionaire now. Why do I make this claim? Because it's the truth. When you know the truth, it will set you free from poverty, being poor and living paycheck to paycheck. Let me give you the truth about being a millionaire. Let me make you a millionaire now. Sounds too good to be true? That's because what you were taught about being a millionaire and having to wait for some big event to happen sounds too true to be a lie; however, it is a big lie. I will give you the truth. The truth is you can be a millionaire now. Unless you are a millionaire today, you will not be a millionaire tomorrow, for the tomorrow is today.

The Five Lessons a Millionaire Taught Me About Life and Wealth Jul 29 2022 Easy to understand and simple to apply, *The Five Lessons a Millionaire Taught Me About Life and Wealth* is one of the most powerful books ever written about money. This book will change your life. When Richard Paul Evans was twelve, his father, a building contractor, shattered both his legs. With no insurance, no income, and eight children, the family was destitute. At that difficult time young Evans was introduced to a kind multimillionaire who taught him the five secrets of wealth. Today, Evans credits those lessons not just with bringing him wealth and success but with bringing him freedom and opportunity in a world where financial slavery is ubiquitous. In his signature motivational voice, Evans interweaves those influential lessons with personal stories from everyday people. He explains that money should not be the preoccupation of our lives. Rather, if we follow the five principles, we will be free to focus on God, family, and relationships -- the true nourishments of life. Wise and compelling, *The Five Lessons a Millionaire Taught Me About Life and Wealth* can be read in a single sitting and will leave you with a new view of what it means to be rich -- and convinced that you, too, can build wealth. *The Five Lessons a Millionaire Taught Me About Life and Wealth* is endorsed by financial consultants, churches, schools, and marriage counselors. You cannot afford to be without this book.

How to Raise a Millionaire Mar 25 2022 *How to Raise a Millionaire* is the ultimate parent's guide to increase confidence and foster bully-proof self esteem in any kid. This book provides a unique action plan to help any kid start their own business in 5 days and in the process teaches them the six millionaire skills every successful person knows: Dream It, Believe It, Love It, Work It, Own It, and Give It. It also includes simple everyday tips to help parents raise a capable kid. Through the teaching tools of entrepreneurship, your kid will learn to be more responsible and follow directions better. You'll see them grow in ways you never expected. They will learn to dream outside the box, believe they can do anything they put their minds to, have passion for their goals, work hard to achieve what they want, take responsibility for their actions and the consequences, and have compassion for others. In *How to Raise a Millionaire*, Ann tells the story of how she successfully raised a millionaire in her son, Jack. *How to Raise a Millionaire* goes beyond the why, and shows you the how. It is practical, easy, and fun. You'll be amazed at how something as simple as helping your child start their own business can permanently open up possibilities they never knew existed. This book teaches you how to become your kid's Trusted Advisor. Your kids will learn confidence without cockiness, that the word "No" is a part of business. "No" from a customer means "Not today," how to save a portion of what they make so they can expand their business, how to talk to adults with respect and their head held high, and

Much More!

The Letter Sep 18 2021 David and MaryAnne Parkin find a mysterious letter at the base of their child Andrea's grave that eventually returns joy to their marriage, which had been strained in the nineteen years since her death

Michael Vey: An Electrifying eBook Set Sep 26 2019 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Five Lessons a Millionaire Taught Me for Women Jun 27 2022 Easy to understand and simple to apply, *The Five Lessons a Millionaire Taught Me for Women* is one of the most powerful books ever written about money and essential reading for any woman today. When Richard Paul Evans was twelve years old, his father fell and broke both of his legs. With no income and no insurance, the Evans family was destitute. At this time a multimillionaire taught young Evans the five secrets to wealth. Evans used those five secrets not only to change his life but that of thousands of others when he wrote *The Five Lessons a Millionaire Taught Me About Life and Wealth*. An international bestseller, this essential book interweaves those influential lessons with personal stories from everyday people. Evans explains that money should not be the preoccupation of our lives, but instead our focus should be on the principles that free us to concentrate on God, family, and relationships -- life's true riches. Now Evans has taken years of personal research and coaching to create the perfect money book for women who want a better life. With his classic, motivational voice, Evans offers lessons that are easy to understand and simple to follow. Powerful, proven, and life changing, *The Five Lessons a Millionaire Taught Me for Women* may be one of the most important books you will ever read.

The Wenger Code May 03 2020 Arsene Wenger; coach, manager and enigma at the heart of one of the greatest London football clubs. He is a walking conundrum of ideas, philosophy, sports psychology and an unwavering sense of self. He is the talisman of a Gunners side who have ridden the highs and the lows of the Premiership, but who in the modern game has employed a unique code of management. The Wenger Code explores the essence of Wenger's genius and what makes him stand out as Arsenal Manager and leader unmoved by the gargantuan finance of 21st century football. In the no nonsense writing of life long fan, Richard Evans, the reader is given the painful truth, the inspiring truth and the future hopes for Arsenal Football Club as it builds upon the intense vision and belief of one man, one manager, and one code. With evidence vividly brought to life from the 2010-11 and 2011-12 seasons, *The Wenger Code* is a must read for football fans; as much a book about football management itself as a book about the mighty Arsenal FC.

Fields of Battle May 15 2021 Richard Evans revisits the sites of a selection of Greek and Roman battles and sieges to seek new insights. The battle narratives in ancient sources can be a thrilling read and form the basis of our knowledge of these epic events, but they can just as often provide an incomplete or obscure record. Details, especially those related to topographical and geographical issues which can have a fundamental importance to military actions, are left tantalisingly unclear to the modern reader. The evidence from archaeological excavation work can sometimes fill in a gap in our understanding, but such an approach remains uncommon in studying ancient battles. By combining the ancient sources and latest archaeological findings with his personal observations on the ground, Richard Evans brings new perspectives to the dramatic events of the distant past. The campaigns and battles selected for this volume are: Ionian Revolt (499-493BC), Marathon (490 BC), Thermopylai (480 BC), Ilerda (49 BC) and Bedriacum (AD69).

THE MALLEE Dec 30 2019 A streetwise opportunist escapes despair and abuse in the big city by seeking opportunities in the mallee. She changes her name but not her attitude when she discovers wealth and privilege ripe for the taking from the influential Dowerin family of the

mallee. A crack appears in her perfect world when the mallee agonises over prolonged drought. Farmers question her influence on water policy and concede they need a more dynamic politician to represent them in Canberra.

The Last Promise Jul 05 2020 From the New York Times bestselling author of Noel Street comes a rich and all-too-human novel about the tragedy and triumph of love... Years ago, a sweet girl from Utah was swept off her feet by a handsome Italian. Today, the sweet girl from Utah is a wife and mother living in Italy. And she's about to be swept off her feet all over again...

Mentored by a Millionaire Apr 25 2022 Unlike any book you've ever read, *Mentored by a Millionaire* is made up of fifteen mentoring sessions in which you will be mentored in the strategies, skills, and techniques used by super achievers who have become the world's most successful men and women. You will be mentored in these sessions by Steve Scott, a man who has not only made millions himself, but has helped dozens of others make millions as well.

Die wundersame Schatulle May 27 2022

The Tower Dec 10 2020 A young man who desires to be great builds a tower higher than any pagoda so that people will look up to him.

The Last Promise Jul 17 2021 When Eliana, still called Ellen by her close friends back in America, moved to Italy the future was bright with promise. Tuscany held magic in its sprawling vineyards, great food, and centuries of art. It was a life of the senses, perfect for a blossoming, talented young artist such as Eliana. Her family and friends back home all thought she had made the right choice in following her heart, and the man she fell in love with and married, back to his native country. In America, Eliana's story was that of a fairy tale. But in Italy, in the small, rustic village nestled in the Chianti countryside, Eliana found her husband to be a very different man. Over time he distances himself from her, leaving Eliana to care for their young son, struggling with the asthma that threatens to take his life. Although she longs for the romance she'd known in America, Eliana is happy as a mother and with the time she spends with her child; yet when fellow American Ross Story, a deeply thoughtful man with a mysterious passion for art, arrives at the same villa, a chance encounter causes Eliana and Ross to look at their lives anew. And with their discovery that individuals may change and grow, they can never forget that the bonds of family last forever. In *The Last Promise* Richard Paul Evans spins a passionate, bittersweet tale about the fantastic joy and great sorrow life can throw our way. Rich and complex as a vintage Chianti wine, *The Last Promise* is in the end an uplifting, all-too-human tale about the magnificent power of true love.

Marilyn Apr 13 2021 Marilyn Monroe continues to be an identifiable cultural figure over 50 years after her death. *Marilyn* is a photographic history of her career, from Norma Jeane to stardom.

The Corrupter Aug 25 2019 The future. From the first moment Oberon O'baron laid eyes on the robot, he was in love. With just a glance the petite artificial girl set his heart aflame, sending him into an obsessive frenzy. As the old-fashioned Englishman struggles with his new found passion, he is led into a world of political agendas, futuristic vice and sexual frustration. Oberon is obsessive, cowardly, self-loathing and weak but his mind is sharp and his dedication unwavering. All the pleasures he had denied himself, all that he had missed out on could be reclaimed. All he needs is HER. *The Corrupter* is a science fiction tale of obsession, set in a world where everyone is watched and nothing is private.

Building A Millionaire Mindset: How to Use the 3 Pillars of Entrepreneurship to Gain,

Maintain, and Sustain Long-Lasting Wealth Aug 06 2020 Become a first-generation millionaire using the groundbreaking mindset of entrepreneurial phenom Johnny Wimbrey From teenage felon to multi-millionaire in a just few short years after implementing his millionaire mindset principles . . . The meteoric rise of Johnny Wimbrey is one of the great rags-to-riches / tragedy to

triumph tales of our time. By seizing control of his life and developing a brand-new mindset, Wimbrely gave up the hard-core streets and a world of drugs, created a business that's now worth over nine-figures, and is presently living the life of a multi-millionaire with his family. Now, in *Building a Millionaire Mindset*, he provides the knowledge, tools, and insights you need to achieve your dreams—life-changing advice you can take to the bank, including: Participating in Your Own Rescue Being Busy versus Being Productive Realizing Someone Else's Mentality isn't Your Reality Becoming a Friend to Your Future Self Controlling Your Emotion Execute Versus Excuse Banishing Your Inner Try-baby Getting Off Your "But" *Building a Millionaire Mindset* avoids the overwhelmingly complex or pie-in-the sky approach of other books by providing a "building block" approach to entrepreneurial success: Each chapter provides a task you must complete before moving on. Entrepreneurs like you have opportunities and access to the technology and information past generations never imagined. And now you have access to the secrets of one of today's top entrepreneurs. *Building a Millionaire Mindset* delivers the mindset you need to launch your business to the million-dollar mark in no time flat.

The Adventuresome Teenager's Travel Guide to London Sep 06 2020 There are travel guides for adults. There are travel guides for kids. This travel guide is for adventuresome teenagers who are going to London with their families or friends. It hints at playlists to listen to (the flight from New York to London is 140 songs long) and movies to watch before you leave. This book tells how to set up smartphones for the trip so teenagers can message home, and gives teenagers ways to get some space away from their families. Like most travel books, it suggests places to go see in London--with and without parents, but also stuff other books don't cover: where to charge our phone in airport, where to find free WiFi in London, and what to eat for breakfast. Some parents will be appalled at the recommendation to eat, at least once, at a London McDonalds. But that is why they are parents, and you are a teenager.

The First Gift of Christmas Oct 27 2019 Explores the meaning of Christmas in reflections and introspections centered on the four seasons of Christmas--the Advent, Christmas Eve, Christmas morning, and Christmas night

Five Lessons a Millionaire Taught Me About Life and Wealth Sep 30 2022 Easy to understand and simple to apply, *The Five Lessons a Millionaire Taught Me About Life and Wealth* is one of the most powerful books ever written about money. This book will change your life. When Richard Paul Evans was twelve, his father, a building contractor, shattered both his legs. With no insurance, no income, and eight children, the family was destitute. At that difficult time young Evans was introduced to a kind multimillionaire who taught him the five secrets of wealth. Today, Evans credits those lessons not just with bringing him wealth and success but with bringing him freedom and opportunity in a world where financial slavery is ubiquitous. In his signature motivational voice, Evans interweaves those influential lessons with personal stories from everyday people. He explains that money should not be the preoccupation of our lives. Rather, if we follow the five principles, we will be free to focus on God, family, and relationships -- the true nourishments of life. Rich Dad Poor Dad Dec 22 2021 Warum bleiben die Reichen reich und die Armen arm? Weil die Reichen ihren Kindern beibringen, wie sie mit Geld umgehen müssen, und die anderen nicht! Die meisten Angestellten verbringen im Laufe ihrer Ausbildung lieber Jahr um Jahr in Schule und Universität, wo sie nichts über Geld lernen, statt selbst erfolgreich zu werden. Robert T.

Kiyosaki hatte in seiner Jugend einen "Rich Dad" und einen "Poor Dad". Nachdem er die Ratschläge des Ersteren beherzigt hatte, konnte er sich mit 47 Jahren zur Ruhe setzen. Er hatte gelernt, Geld für sich arbeiten zu lassen, statt andersherum. In Rich Dad Poor Dad teilt er sein Wissen und zeigt, wie jeder erfolgreich sein kann.

The Carousel Oct 08 2020 The author of The Christmas Box and The Looking Glass returns to the moving but unfinished saga of Faye Murrow and Michael Keddington.

The Looking Glass Jan 23 2022 When I started to write The Looking Glass, I intended to create a story about the healing power of hope and love. But as this story developed, a message began to emerge that I had not foreseen, a message about the distorted mirror in which we view ourselves, binding ourselves with shackles of self-doubt and fear. The Looking Glass is aptly named, for it is about seeing the reality of ourselves: to see a true reflection of who we are. It is the story of Hunter Bell, a Presbyterian minister turned gambler, and the founder of a gold camp named Bethel. (Which you may remember was Esther's hometown in The Locket.) He is running from the bitter memories of his past, his ministry, and ultimately, from his God. Venturing into a blizzard to chase away wolves drawn close to his cabin by hunger, Hunter finds a beautiful young woman in the snow, wounded by the wolves and half dead with the cold. Her name is Quaye McGandley, and she is an Irish woman sold into marital slavery to a brutal husband who then brought her to America against her will. As Hunter nurses her back to health, he finds that his tender ministrations to Quaye have opened his heart to his greatest fear -- that he might love again. It is my hope that you, and those with whom you share my book, might through its message better see the divinity within yourself and the reality of who you are: worthy of love, gentleness, and grace. With hope, Richard Paul Evans

When I started to write The Looking Glass, I intended to create a story about the healing power of hope and love. I Will Teach You To Be Rich Feb 21 2022 At last, for a generation that's materially ambitious yet financially clueless comes I Will Teach You To Be Rich, Ramit Sethi's 6-week personal finance program for 20-to-35-year-olds. A completely practical approach delivered with a nonjudgmental style that makes readers want to do what Sethi says, it is based around the four pillars of personal finance--banking, saving, budgeting, and investing--and the wealth-building ideas of personal entrepreneurship. Sethi covers how to save time by not wasting it managing money; the guns and cars myth of credit cards; how to negotiate like an Indian--the conversation begins with "no"; why "Budgeting Doesn't Have to Suck!"; how to get things rolling--for real--with only \$20; what most people don't understand about taxes; how to get a CEO to take you out to lunch; how to avoid the Super Mario Brothers trap by making your savings work harder than you do; the difference between cheap and frugal; the hidden relationship between money and

food. Not to mention his first key lesson: Getting started is more important than being the smartest person in the room. Integrated with his website, where readers can use interactive charts, follow up on the latest information, and join the community, it is a hip blueprint to building wealth and financial security. Every month, 175,000 unique visitors come to Ramit Sethi's website, iwillteachyoutoberich.com, to discover the path to financial freedom. They praise him thoughtfully ("Your site summarizes everything I want with my life--to be rich in finances, rich in experience, rich in family blessings," Dan Esparza) and effusively ("Dude, you rock. I love this site!" Richard Wu). The press has caught on, too: "Ramit Sethi is a rising star in the world of personal finance writing . . . one singularly attuned to the sensibilities of his generation. his style is part frat boy and part silicon Valley geek, with a little bit of San Francisco hipster thrown in" (San Francisco Chronicle). His writing is smart, his voice is full of attitude, and his ideas are uncommonly sound and refreshingly hype-free.

Forgotten People Apr 01 2020 She wants her culture and country back. Independence was never ceded, and she will do whatever it takes to get it back, including the ultimate sacrifice. When government peace talks stop, revolution begins. Should a government be obliged to negotiate a treaty with First Nations, ending decades of discrimination and disrespect for the Forgotten People, or will it defeat the revolutionaries fighting for justice in this gripping Australian political thriller? Revolutionary leader, Nellie Millergoorra, campaigns for an aboriginal homeland to preserve indigenous culture by advocating the prohibition of mining in Arnhem Land using a United Nations declaration to convince a disrespectful government to sign a treaty. Nellie will do whatever it takes to finally gain independence and end government regulation over her people. When there is no agreement, she recruits mercenary special forces to inflame community chaos establishing an explosive aboriginal revolutionary movement. Using high-tech intervention, the mercenaries destabilise the national energy grid starting a fanatical revolution with chaos on the streets. Their secret intent is to embezzle money when security systems are disabled. A contemptuous government is forced to the negotiation table to agree on a peace agreement putting an end to the escalating hostile revolution. Millergoorra wants more and demands sovereignty for First Nations, proclaiming a partitioned homeland is non-negotiable. In a surprising confrontation with a reluctant prime minister, who is threatened with an ultimatum he can't ignore, Millergoorra negotiates a treaty whilst facing her own battle for survival. *Forgotten People* is gripping political thriller featuring surprising plot twists, compelling characters, and a kick-arse female heroine. If you like fast paced, page-turning thrillers then Richard Evans' third book will not disappoint you. Buy *Forgotten People* today and join the revolution. I thoroughly enjoyed the book and did not want to put the book down, but neither did I want the story to end! Congratulations! - TRINITY MARKETING 'This is an outstanding debut from Evans, and this terrific read comes highly recommended.' - GOODREADS 'From former Federal MP Richard Evans comes this exceptional political thriller ...' - CANBERRA WEEKLY

Disavow Jan 11 2021 Corrupt Prime Minister Andrew Gerrard has engaged in a covert agreement with the Indonesian president to begin building himself a retirement nest egg - if the Australian government agrees to fund immigration detention centres. When his plans are disrupted by a tragic plane accident that kills key members of parliament, Gerrard devises a strategy to rush the entire funding scheme through the parliament within a week. Political stalwart and soon-to-be-retired clerk of parliament, Gordon O'Brien, suspects a conspiracy to defraud the government, and reluctantly sets out to foil the prime minister's plan with the help of young-gun investigative journalist, Anita Devlin. The first part in the Democracy Trilogy sizzles with insider knowledge into the machinations of Australian politics. It's a brilliant and suspenseful political thriller where corruption, power and truth collide.

Doomed Nov 20 2021 Three years after the change of government, the nation is facing huge social, policy, and environmental-related disasters yet the Australian government seems paralyzed on how to proceed. Two senior ministers resolve that a change of prime minister is essential for Australia's future, and begin to lay the foundations for his dismissal. Meanwhile, the parliament is held in a balance of power by the independent, Jaya Rukhmani, who can decide at any time if government legislation will be approved. Upon hearing the news that former prime minister Andrew Gerrard wishes to re-enter parliament, Jaya turns to Barton Messenger as an ally. *Doomed* takes us behind the scenes of a parliament unaware of how their ambitions and political manipulations affect the everyday Australian. When the environment and economy are brought into the mix, which will be the one to flourish, and which one is doomed?

Student Solutions Manual for Basic Technical Mathematics and Basic Technical Mathematics with Calculus Nov 28 2019 This manual contains completely worked-out solutions for every other odd-numbered exercise in the text.

The Sunflower Jul 25 2019 After her fianc calls off their marriage a week before the wedding, heartbroken Christine Hollister reluctantly agrees to accompany her friend Jessica to Peru to do volunteer work in an orphanage, where she meets American doctor Paul Cook. 500,000 first printing.

The Christmas Box Jan 29 2020 Since it was first published, more than seven million people have been touched by the magic of *The Christmas Box*, a holiday classic that is as beloved in our time as *A Christmas Carol* was in Dickens's. When Richard Paul Evans wrote *The Christmas Box*, he intended it as a private expression of love for his two young daughters, Jenna and Allyson. Though he often told them that he loved them, he didn't feel that they could ever really understand the depth of his feelings until they had experienced the joy of rearing their own children, and by that time their relationship would have changed forever. In writing *The Christmas Box*, he hoped that at some time in the future they would read the book and know of their father's love. As Evans began to write, he was amazed at the inspiration that flowed into his mind and heart. He completed the moving story of a widow and the young family who comes to live with her in less than six weeks, and bound twenty copies to give as Christmas presents to family and friends. In the following weeks, those twenty copies were shared and passed along from family to family, from friend to friend, and what began as a tale for two little girls became a message of miracles, hope, and healing for people throughout the world.

Fields of Death Jun 15 2021 Richard Evans revisits the sites of a selection of Greek and Roman battles and sieges to seek new insights. The battle narratives in ancient sources can be a thrilling read and form the basis of our knowledge of these epic events, but they can just as often provide an incomplete or obscure record. Details, especially those related to topographical and geographical issues which can have a fundamental importance to military actions, are left tantalisingly unclear to the modern reader. The evidence from archaeological excavation work can sometimes fill in a gap in our understanding, but such an approach remains uncommon in studying ancient battles. By combining the ancient sources and latest archaeological findings with his personal observations on the ground, Richard Evans brings new perspectives to the dramatic events of the distant past. For example, why did armies miss one another in what we might today consider relatively benign terrain? Just how important was the terrain in determining victory or defeat in these clashes. The author has carefully selected battles and sieges to explore, first of all to identify their locations and see how these fit with the ancient evidence. He then examines the historical episodes themselves, offering new observations from first-hand study of the field of battle along with up-to-date photographs, maps and diagrams. In the process he discusses whether and how the terrain has since been changed by land use, erosion and other factors, and the extent to which what we see today represents a real connection with the dramatic

events of the distant past. This first volume considers: 1. The Greek Victory over the Persians at Marathon (490 BC)2. Leonidas and his Three Hundred Spartans at Thermopylae (480 BC)3. The Athenian Siege of Syracuse (414-413 BC)4. The Syracusan Siege of Motya (397 BC)5. Alexander's Defeat of Darius at Issus (333 BC)6. Hannibal's Victory at Cannae (216 BC)7. Titus Quinctius Flamininus and Philip V at Cynoscephalae (197 BC)8. Gaius Marius' Victory over the Teutones at Aquae Sextiae (102 BC)9. Octavian versus Antony and Cleopatra of Egypt: The Battle of Actium (31 BC)10. The First Battle of Bedriacum (April AD 69)

Happy STATS Jun 23 2019 Principal investigators and statisticians speak different dialects of the scientific language, which slows the data analysis. Time is money and prestige in research. Happy Stats jump-starts the analysis by giving principal investigators a set of 13 simple guidelines to improve communication and data preparation.

The Christmas Box and Timepiece Mar 01 2020 In the Christmas Box a loving widow named Mary Anne taught us that the time spent with loved ones is precious and brief. Timepiece is the story of how she learned those lessons.

Millionaire Teacher Aug 30 2022 The incredible story of how a schoolteacher built a million-dollar portfolio, and how you can too Most people wouldn't expect a schoolteacher to amass a million-dollar investment account. But Andrew Hallam did so, long before the typical retirement age. And now, with Millionaire Teacher, he wants to show you how to follow in his footsteps. With lively humor and the simple clarity you'd expect from a gifted educator, Hallam demonstrates how average people can build wealth in the stock market by shunning the investment products peddled by most financial advisors and avoiding the get-rich-quicker products concocted by an ever widening, self-serving industry. Using low cost index funds, coupled with a philosophy in line with the one that made Warren Buffett a multi-billionaire, Hallam guides readers to understand how the stock and bond markets really work, arming you with a psychological advantage for when markets fall. Shows why young investors should hope for stock market crashes if they want to get rich Explains how you can spend just 60 minutes a year on your investments, never open a financial paper, avoid investment news, and still leave most professional investors in the dust Promotes a unique new investment methodology that combines low cost index funds and a Warren Buffett-esque investment philosophy Millionaire Teacher explains how any middle-income individual can learn can learn the ABCs of personal finance and become a multi-millionaire, from a schoolteacher who has been there and done that.
