India, Pakistan and the Secret Jihad Mar 13

2021 India, Pakistan and the Secret Jihad explores the history of jihadist violence in Kashmir, and argues that the violent conflict which exploded after 1990 was not a historical discontinuity, but, rather, an escalation of what was by then a five-decade old secret war. Praveen Swami addresses three key issues: the history of jihadist violence in Jammu and Kashmir, which is examined as it evolved from 1947-48 onwards the impact of the secret jihad on Indian policy-making on Jammu and Kashmir, and its influence on political life within the state why the jihad in Jammu and Kashmir acquired such intensity in 1990. This new work will be of much interest to students of the India-Pakistan conflict, South Asian politics and security studies in general.

Indira Gandhi Aug 25 2019 A definitive, incisive and no-holds-barred account of the life and times of one of India's most charismatic and prominent leaders who has left a distinctive stamp on history For almost two decades, Indira Gandhi

*Download File Amritsar Mrs Gandhis

stood out the world's most powerful woman. In India, there is hardly a neutral opinion about her. She is either adored or abused. Inder Malhotra's biography explores objectively this highly complex and very private person - right from her childhood to her last days - who lived under constant public gaze and learnt to adjust her demanour to the occasion, rigorously concealing her true self and real feelings. This comprehensive work recounts her unusual and unhappy 'love marriage' to Feroze Gandhi and examines the ambivalent influence of her father, Jawaharlal Nehru, on her career. It also focuses on her relationship with her sons: Sanjay, her chosen heir, and his elder brother Rajiv, who, ironically, succeeded her as the prime minister of India. The author traces Indira Gandhi's own evolution from a 'dumb doll' to the 'empress of India' and her downfall, the seeds of which were sown when she imposed the Emergency on 25 June 1975. This phase marked a dark period in the post-independence era. Her party (the

*Download File shop.gesaeuse.at on

Congress) lost the March 1997 general election and she was out of power for nearly three years. The author also describes the later revival in her fortunes, when she returned as prime minister in January 1980. During her second term, she had to order the Indian Army to enter the Golden Temple in Amritsar (the holiest shrine of the Sikhs) to flush out the militants hiding there. This move led to her being assassinated by her own Sikh bodyguards on 31 October 1984. In the revised and updated edition, Inder Malhotra throws light on the impact that Indira Gandhi had (and continues to have) on Indian politics after her death when her mantle fell on members of her family, including Rajiv Gandhi first and Sonia Gandhi later. This is not only a compulsive and gripping narrative about a remarkable personality but also a fascinating study of India after independence.E41

Amritsar Aug 18 2021 Klappentext: On 5th June 1984, the Indian army began its attack on the complex at Amritsar which houses the two most

sacred shrines. Generals who had pledged to minimum force, and on no account to violate the shrines, were not prepared for the fierce and adept resistance they encountered. Having suffered severe casualties, the infantry were driven back and as last resorts with approval from Delhi tanks were ordered in. The Akal Takht was virtually reduced to rubble. It is doubtful if Mrs. Gandhi would have initiated Operation Blue Star had she known how bloody and devastating would be the consequences of that 24 hour conflict.

[Empires at War](#) Jul 29 2022 As the major geopolitical power bloc, Asia - with 4 billion people, two-thirds of the world's population, a huge land-mass and the fastest-growing economies - has shifted the global political balance. "Empires at War" gives a dramatic narrative account of how 'Modern Asia' came into being. Ranging over the whole of Asia, from Japan to Pakistan, the modern history of this important region is placed in the context of the

struggle between America and the Soviet Union. Francis Pike shows that America's domination of post-war Asia was a continuation of a 100-year competition for power in the region. He also argues cogently that, contrary to the largely 'Western-centric' viewpoint, Asian nations were not simply the passive and biddable entities of the superpowers, but had a political development which was both separate and unique, with a dynamic that was largely independent of the superpower conflict. And, in conclusion, the book traces the unwinding of American influence and the end of its Empire - a crucial development in international history which is already having repercussions throughout the world.

Fighting for Faith and Nation Jun 27 2022 The ethnic and religious violence that characterized the late twentieth century calls for new ways of thinking and writing about politics. Listening to the voices of people who experience political violence—either as victims or as

Download File Amritsar Mrs Gandhis Last Battle Mark Tully Read Pdf Free

perpetrators—gives new insights into both the sources of violent conflict and the potential for its resolution. Drawing on her extensive interviews and conversations with Sikh militants, Cynthia Keppley Mahmood presents their accounts of the human rights abuses inflicted on them by the state of India as well as their explanations of the philosophical tradition of martyrdom and meaningful death in the Sikh faith. While demonstrating how divergent the world views of participants in a conflict can be, *Fighting for Faith and Nation* gives reason to hope that our essential common humanity may provide grounds for a pragmatic resolution of conflicts such as the one in Punjab which has claimed tens of thousands of lives in the past fifteen years.

City of Djinns Jul 05 2020 Peeling back the layers of Delhi's centuries-old history, City of Djinns is an irresistible blend of research and adventure. Sparkling with irrepressible wit, City of Djinns peels back the layers of Delhi's centuries-old history, revealing an extraordinary array of characters along the way—from eunuchs to descendants of great Moguls. With refreshingly open-minded curiosity, William Dalrymple explores the seven "dead" cities of Delhi as well as the eighth city—today's Delhi. Underlying his quest is the legend of the djinns, fire-formed spirits that are said to assure the city's Phoenix-like regeneration no matter how many times it is destroyed. Entertaining, fascinating, and informative, City of Djinns is an

Death Squads in Global Perspective Nov 20 2021

Death squads have become an increasingly common feature of the modern world. In nearly all instances, their establishment is tolerated, encouraged, or undertaken by the state itself, which thereby risks its monopoly on the use of force, one of the fundamental characteristics of modern states. Why do such a variety of regimes, under very different circumstances, condone such activity? Death Squads in Global Perspective hopes to answer that question and explain not only their development, but also why they can be expected to proliferate in the early 21st century.

India Today Feb 09 2021

Religion on the Battlefield Oct 20 2021 How does religion shape the modern battlefield? Ron E. Hassner proposes that religion acts as a force multiplier, both enabling and constraining military operations. This is true not only for religiously radicalized fighters but also for

professional soldiers. In the last century, religion has influenced modern militaries in the timing of attacks, the selection of targets for assault, the zeal with which units execute their mission, and the ability of individual soldiers to face the challenge of war. Religious ideas have not provided the reasons why conventional militaries fight, but religious practices have influenced their ability to do so effectively. In Religion on the Battlefield, Hassner focuses on the everyday practice of religion in a military context: the prayers, rituals, fasts, and feasts of the religious practitioners who make up the bulk of the adversaries, bystanders, and observers during armed conflicts. To show that religious practices have influenced battlefield decision making, Hassner draws most of his examples from major wars involving Western militaries. They include British soldiers in the trenches of World War I, U.S. pilots in World War II, and U.S. Marines in Iraq and Afghanistan. Hassner shows that even modern, rational, and bureaucratized military

organizations have taken—and must take—religious practice into account in the conduct of war.

[India In Transition](#) Feb 21 2022 In this book, the author makes some generalizations about contemporary India and the years immediately ahead daring to set forth some of his personal concerns for critical review by those in the United States and in India who share in varying degrees his concern for India's future.

The Sikh Separatist Insurgency in India Nov 28 2019 The "Punjab crisis," a two-decade long armed insurgency that emerged as a violent ethnonationalist movement in the 1980s and gradually transformed into a secessionist struggle, resulted in an estimated 25,000 casualties in Punjab. This ethnonationalist movement, on one hand, ended the perceived notion of looking at Punjab as the model of political stability in independent India and, on the other, raised several lingering socio-political questions which have great effect on Indian

Download File [Amritsar Mrs Gandhis Last Battle Mark Tully Read Pdf Free](#)

politics for decades to come, including the prospects of recurring ethnic insurgencies. The Sikh Separatist Insurgency in India: Political Leadership and Ethnonationalist Movements provides an authoritative political history of the Sikh separatist insurgency in Punjab by focussing on "patterns of political leadership", a previously unexplored explanatory variable. It describes in detail the trends which led to the emergence of the "Punjab crisis", the various dynamics through which the movement sustained itself and the changing nature of "patterns of political leadership" which eventually resulted in its decline in the mid-1990s. Providing a microhistorical analysis of the "Punjab crisis," this book argues that the trajectories of ethnonationalist movements are largely determined by the interaction between self-interested ethnic and state political elites, who not only react to the structural choices they face, but whose purposeful actions and decisions ultimately affect the course of ethnic

group—state relations. It consolidates this theoretical preposition through a comparative analysis of four contemporary global ethnonationalist movements—those occurring in Chechnya, Northern Ireland, Kashmir, and Assam. This book will be of interest to students and academics studying political science and history, especially those working on South Asia and the Sikhs, and also for public policy practitioners in multi-ethnic societies. It remains invaluable reading for those interested in the phenomenon of ethnonationalism.

The Ambivalence of the Sacred Sep 06 2020 This text explains what religious terrorists and religious peacemakers share in common and what causes them to take different paths in fighting injustice.

The Sikhs of the Punjab May 15 2021 In a revised edition of his original book, J. S. Grewal brings the history of the Sikhs from its beginnings in the time of Guru Nanak, the founder of Sikhism, right up to the present day.

Against the background of the history of the Punjab, the volume surveys the changing pattern of human settlements in the region until the fifteenth century and the emergence of the Punjabi language as the basis of regional articulation. Subsequent chapters explore the life and beliefs of Guru Nanak, the development of his ideas by his successors and the growth of his following. The book offers a comprehensive statement on one of the largest and most important communities in India today.

The Violence of the Green Revolution Jun 15 2021 The Green Revolution is often touted as being one of independent India's most outstanding achievements. But behind the widely broadcast images of full granaries and an explorable gain surplus lies a grim tale of environmental and social carnage. In this book, already a classic, Vandana shiva, examines the impact of the Green Revolution in the state of Punjab. She documents the destruction of genetic diversity and soil fertility that resulted

Download File shop.gesaeuse.at on December 2, 2022 Read Pdf Free

from the Green Revolution in the State, and also shows how the acute social and political conflicts that eventually emerged tore Punjab apart and continue to simmer. As India gets hopelessly mired in the brave new world of modern agriculture with its intractable problems, this book constitutes a warning about the horrors that lie ahead. It should spur the thoughtful and the concerned towards greater efforts in developing a workable, humane alternative.

[India's Agony Over Religion](#) Jul 17 2021 Presents the contemporary religious crisis in India, providing historical perspective and focusing on the crises in Punjab, Kashmir, and Ayodhya.

The New Cold War? Religious Nationalism Confronts the Secular State May 27 2022 This study paints a provocative picture of the new religious revolutionaries altering the political landscape of the Middle East, South and Central Asia and Eastern Europe. The author asks whether religious confrontations with secular authorities will lead to a new Cold War.

Battle Tactics And War Manoeuvres of the Sikhs Sep 30 2022 Eighteenth century was an intense period in the history of the Sikhs. Extreme persecution continued unabated for over six decades. The Sikhs were virtually crushed by the mighty Islamic powers-Mughals and Afghans. Their main objective was to extirpate the Sikhs because they were the biggest impediment to their complete domination of Hindustan. A handful of the Sikhs were fighting the battle of their survival. With sheer strength of their arms, resoluteness and indomitable courage, they came out from their hideouts and spread over the entire Punjab. The essence of amazing battle tactics extensively devised and deployed by the Sikh warriors, their sterling courage, unmatched military skill in wielding the weapons, rapid regrouping and military acumen to launch sudden surgical shock attacks is capsuled in this book, which hitherto remained unknown. A rare piece of historical evidence that speaks volumes of the indomitable

courage of the Sikhs by their most embittered enemy.

War on Sacred Grounds Dec 22 2021 Sacred sites offer believers the possibility of communing with the divine and achieving deeper insight into their faith. Yet their spiritual and cultural importance can lead to competition as religious groups seek to exclude rivals from practicing potentially sacrilegious rituals in the hallowed space and wish to assert their own claims. Holy places thus create the potential for military, theological, or political clashes, not only between competing religious groups but also between religious groups and secular actors. In *War on Sacred Grounds*, Ron E. Hassner investigates the causes and properties of conflicts over sites that are both venerated and contested; he also proposes potential means for managing these disputes. Hassner illustrates a complex and poorly understood political dilemma with accounts of the failures to reach settlement at Temple Mount/Haram el-Sharif,

*Download File Amritsar Mrs Gandhis

leading to the clashes of 2000, and the competing claims of Hindus and Muslims at Ayodhya, which resulted in the destruction of the mosque there in 1992. He also addresses more successful compromises in Jerusalem in 1967 and Mecca in 1979. Sacred sites, he contends, are particularly prone to conflict because they provide valuable resources for both religious and political actors yet cannot be divided. The management of conflicts over sacred sites requires cooperation, Hassner suggests, between political leaders interested in promoting conflict resolution and religious leaders who can shape the meaning and value that sacred places hold for believers. Because a reconfiguration of sacred space requires a confluence of political will, religious authority, and a window of opportunity, it is relatively rare. Drawing on the study of religion and the study of politics in equal measure, Hassner's account offers insight into the often-violent dynamics that come into play at the places where religion

Treading on Hallowed Ground Jun 03 2020 After America's Iraq adventure devolved into a debacle, a chorus of commentators and analysts noted that the U.S. military had no plan to fight a counterinsurgency campaign. Given the failure of conventional tactics, America in the last two years has redoubled its efforts to develop a new strategy to fight the Iraqi insurgency, and has gone so far to place our leading counterinsurgency expert, General David Petraeus, in charge of the Iraq theater. In sum, there seems to be a growing consensus that for better or worse, counterinsurgency will be a core tactic in future American military campaigns. Iraq, of course, presents special problems to the U.S. because of the intensity of religious belief and sectarianism. How do we

Download File [shop.gesaeuse.at](#) on December 2, 2022 Read Pdf Free

fight against an insurgency that so often strategically positions itself on 'hallowed ground'--mosques and shrines? Yet Iraq is not unique. As the contributors to *Treading on Hallowed Ground* show, counterinsurgency efforts on religiously contentious terrain is a widespread phenomenon in recent times, ranging from North Africa to Central and Southeast Asia. Here, C. Christine Fair and Sumit Ganguly have assembled an impressive group of experts to explore the most important counterinsurgency efforts in sacred spaces in our era: churches in Israel, mosques and shrines in Iraq, the Sikh Golden Temple in India, mosques and temples in Kashmir, the Krue Se Mosque in Thailand, and the Grand Mosque in Saudi Arabia. Taken together, the essays comprise the first comprehensive account of this increasingly pivotal component of contemporary war.

Conflict Unending May 03 2020 The escalating tensions between India and Pakistan have

Download File Amritsar Mrs Gandhis Last Battle Mark Tully Read Pdf Free

received renewed attention of late. Since their genesis in 1947, the nations of India and Pakistan have been locked in a seemingly endless spiral of hostility over the disputed territory of Kashmir. Ganguly asserts that the two nations remain mired in conflict due to inherent features of their nationalist agendas. Indian nationalist leadership chose to hold on to this Muslim-majority state to prove that minorities could thrive in a plural, secular polity. Pakistani nationalists argued with equal force that they could not part with Kashmir as part of the homeland created for the Muslims of South Asia. Ganguly authoritatively analyzes why hostility persists even after the dissipation of the pristine ideological visions of the two states and discusses their dual path to overt acquisition of nuclear weapons, as well as the current prospects for war and peace in the region. *When God Stops Fighting* Mar 25 2022 Preface - The trajectory of imagined wars -- The apocalyptic war of the Islamic State -- The

Interpretive essays illuminate the causes and consequences of a tumultuous year, as leading specialists discuss Indian politics, economy, society, culture, and foreign relations. The contributors examine such important developments as the breakdown of the Punjab accord, the resurgence of militant communalism, Prime Minister Rajiv Gandhi's faltering leadership, the dramatic heightening of Indo-Pakistan tensions, the growing resistance to economic reforms, and the impact of the video revolution on Indian culture. Filling an important gap in the literature on contemporary Indian affairs, this book will be invaluable for students and scholars of South Asia as well as for journalists, policymakers, businesspeople, and serious travelers who wish to understand current and future developments in India.

perspectives that enable the reader to examine each chapter as an independent case study and compare and contrast each event with others to draw lessons across time • Includes an extensive bibliography that covers all aspects of modern counterinsurgency-based themes, including geographical regions, theory, and tactics [Military Intervention and Secession in South Asia](#) Mar 01 2020 Examines how, when, and whether secessionist movements become secessionist wars, and asks whether secessionist wars increase the risk of international military intervention.

India, Pakistan, and the Bomb Jun 23 2019 In May 1998, India and Pakistan put to rest years of speculation as to whether they possessed nuclear technology and openly tested their weapons. Some believed nuclearization would stabilize South Asia; others prophesized disaster. Authors of two of the most comprehensive books on South Asia's new nuclear era, Šumit Ganguly and S. Paul Kapur,

Download File shop.gesaeuse.at on December 2, 2022 Read Pdf Free

offer competing theories on the transformation of the region and what these patterns mean for the world's next proliferators. Ganguly begins with an outcome-based approach emphasizing the results of militarized conflict. In his opinion, nuclear weapons have prevented Indo-Pakistani disputes from blossoming into full-scale war. Kapur counters with a process-based approach stressing the specific pathways that lead to conflict and escalation. From his perspective, nuclear weapons have fueled a violent cycle of Pakistani provocation and Indian response, giving rise to a number of crises that might easily have spun into chaos. Kapur thus believes nuclear weapons have been a destabilizing force in South Asia and could similarly affect other parts of the world. With these two major interpretations, Ganguly and Kapur tackle all sides of an urgent issue that has profound

regional and global consequences. Sure to spark discussion and debate, India, Pakistan, and the Bomb thoroughly maps the potential impact of nuclear proliferation.

Religion in the Military Worldwide Jan 29 2020 How does religion affect the lives of professional soldiers? How does religion shape militaries, their organization, procedures, and performance? This volume is the first to address these questions by comparing religious symbols and practices in nine countries: Japan, Canada, the United Kingdom, Pakistan, Israel, Iran, India, the United States, and Turkey. The contributors explore how and why soldiers pray, the role of religious rituals prior to battle, the functions that chaplains perform, the effects of religion on recruitment and unit formation, and how militaries grapple with ensuing constitutional dilemmas.
