**Why You?** Nov 19 2021 **\*\*Revised and updated for 2017 with ten extra tech questions.\*\*** Learn the secrets to excelling at interview, direct from top interviewers and recruiters, in *Why You?* by James Reed, chairman of recruitment specialists REED. You can't prepare an answer for every interview question. So, of the thousands of questions they might ask, which ones will they ask? After extensive research among hundreds of interviewers and thousands of interviewees, finally here's the book that will give you the answer. *Why You?* is based on direct input from top interviewers in REED's unrivalled recruitment network. It offers powerful preparation techniques, the lowdown on how to answer the most common questions and - above all - how to adopt a winning mindset at interview, one that will help you succeed on the day. From classic questions like 'tell me about yourself' and 'what are your greatest weaknesses?' to puzzlers like 'sell me this pen'

When most prospective hires come well prepared for interview questions we all expect, how do you distinguish their answers from any other applicant? With this book by your side, you will no longer have to do your best guess work on what answers are genuine, which are rehearsed, and which will end up not reflecting the employee in the least. This invaluable resource shows you how to dig deeper using competency-based behavioral interviewing methods to uncover truly relevant and useful information. Complete with advice on evaluating answers and assessing cultural fit, the second edition of High-Impact Interview Questions features dozens of all-new questions designed to gauge: accountability, assertiveness, attention to detail, judgment, follow-through, risk-taking, and more. When the candidate is asked to describe specific, job-related situations, you will gain a clearer picture of past behaviors--and more accurately predict future performance. By the end of an interview, the real person behind the résumé will be revealed and you will be able to make an offer based on accurate findings, not hopeful hunches.
