**Hackercraft** Nov 27 2019 This book tells the story of the enigmatic John Hacker, who started Hacker Boat Company in Detroit in 1914 and drafted some of the most successful and popular boat designs of all time. This book is organized chronologically, concentrating on the boats, the drivetrains, and the evolution of powerboat design. It highlights the life and times of John Hacker as well as the key designers that worked behind the scenes.

**Time Is Irreverent 2: Jesus Christ, Not Again!** Aug 17 2021 ♦ Marty Mann and Nellie Dixon are back for another irreverent, liberal, twisty, time-travel comedy! This time they have Jesus Christ, the actual guy, on their side. The timeline correction Marty Mann and Nellie Dixon accomplished in their first episode was successful. . . . Or was it? When the two humans and their Krichard friends, Chrissie and Tina, return to year 2020 Earth to verify the change, they find an advanced, peaceful planet. The four friends move into Marty's new timeline home and the next morning head out for a flying car tour of Oodlelakeolis. The city, which was Minneapolis in the previous timeline, is beautiful from the air, but when they swoop down to land, the Colorless Ones, a cult of religious extremists from the planet Krichardia, reverse the timeline change and abduct Chrissie and Tina. Instantly, President Handley is back to dropping nuclear bombs, and once again, Marty and Nellie must find a way to stop him. After our heroes gain possession of the Krichards' time-traveling Chromosphere Cruiser, they return to AD 31 with plans to restore the advanced timeline by wowing the locals with the Holy Smokin' Hot Nellie act. Unfortunately, an unexpected event forces them to return to the year 2020, but they have a stowaway—Jesus Christ! Can Marty Mann and Nellie Dixon save the world and rescue Tina and Chrissie with snark being their only superpower? Can a dark-skinned Jesus with a fondness for profanity and a disdain for religious hypocrisy thrive in the twenty-first century? And who are the Soldiers of the White Jesus, and what will they have to do with any of this? These questions and more will be answered in this unforgettable episode. Time Is Irreverent 2: Jesus Christ, Not Again! is a hilarious, thought-provoking satire with unpredictable twists, colorful and colorless aliens, the outrageous Holy Smokin' Hot Nellie, and a juicy role for Jesus Christ, the actual guy! Reviews: "Time Is Irreverent 2 is a madcap blasphemous comedy of the most delightful sort. Recommended for those whose tastes incline that way; if you loved Time Is Irreverent, run, don't walk, to consume this perfect sequel."—Tom Flynn, editor, Free Inquiry magazine "An excellent follow-up to the original, and this from someone who typically hates sequels! All the same great characters and more, plus Jesus—although not your mama's Jesus. The funny is funnier, the crazy crazier, and the politics even more in your face (in the good way!). If you loved the first, you've got to read the second. Well done, Marty!"—Jeff Abugov, writer, producer, director "For those aficionados of entertaining, optimistic sci-fi, who have been avidly waiting for another Time Is Irreverent adventure—your wait is over. Marty Essen has produced a fine follow-up to his first time traveling escapade and I hope that the likeable characters he has created will get many future outings. A great addition to a currently gloomy, pessimistic genre. I do not hesitate to recommend it."—Charles Remington, Readers' Favorite Book Reviews Publisher's Warning: This book is intended for a liberal audience and features satirical content that may not be appropriate for Donald Trump supporters or those who are offended by views that challenge traditional religious beliefs. Common side effects include wide smiles, sudden laughter, and occasional snorts. Reader discretion is advised. This is the second book in the Time Is Irreverent series. Each novel is a stand-alone adventure, and a humorous prologue quickly gets readers up-to-date.

**Goya Lane** Oct 07 2020 When detective Hidaka investigates the murder of a young, Tokyo student, he recognizes it as the handiwork of Misaki Okano, the Saitama Murderer. Okano first came under police scrutiny as a member of Aum Shinrikiyo, the urban terrorist group that released Sarin gas in the Tokyo subway system. He was one of four who escaped through the labyrinthine, complex subway beneath the city. Goya Lane was inspired by the bombing of Japan in 1945 and the clear and present reality of a looming nuclear winter. In a growing climate of jihadist terrorism, ethnic fascism and geopolitical aggression, the world is in a race to acquire and stockpile nukes. The flashpoint will occur when radical extremists finally come into possession of a three-phase, stratospheric missile. That will be the last jihad.

In Goya Lane, that reality is addressed. While in pursuit of Tokyo's infamous Saitama Murderer and child abductor Misaki Okano, detective Hidaka and Captain Saito come up against Ryodan, a radical terrorist group dedicated to avenging Japan's loss of imperial glory in the wake of Hiroshima and Nagasaki. In the extensive, underground railway systems of Tokyo, the largest in the world, the two men discover a society of third-generation bomb survivors, governed by the strict, jihadist-like control of Ryodan. The capture of Okano becomes all the more critical when it is discovered that he and his Ryodan counterparts have come into possession of a nuclear warhead. With forty-eight hours to locate the device, the detectives embark on a harrowing, underground odyssey. The time frame for detective Hidaka becomes all the more critical when he learns that his own daughter has just gone missing and the evidence points to Misaki Okano, the Saitama Murderer.

**America, the Owner's Manual** Apr 24 2022 In 2016, Americans fed up with the political process vented that frustration with their votes. Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade. Democrats nearly selected a self-described socialist who ran on a populist platform against the influence of big money in politics. While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual, the truth is that we don't have to pin our hopes for greater participation on any one candidate. All of us have a say—if we learn, master and practice the skills of effective citizenship. One of the biggest roadblocks to participation in

democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall. That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought. Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles. They describe effective citizenship skills and provide tips from civic experts. Even more importantly, they offer numerous examples of everyday Americans who have used their skills to make democracy respond. The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy. By the end of the book, you will have new confidence that citizen participation is the lifeblood of America -- and will be ready to make governments work for you, not the other way around.

**Time Is Irreverent: Ooh, It's a Trilogy! (Books 1-3)** Sep 17 2021 ♦ Is it the Father, the Son, and the Holy Ghost? No! It's the Marty Mann, the Liberal Jesus, and the Holy Smokin' Hot Nellie! Ooh, it's a Trilogy! Here's what people have said about the books in this hilarious, irreverent, series: ♦ Praise for *Time Is Irreverent* "Highly recommend. It's fun, clever, cool, witty, surprising, political, sexy, everything a sci-fi book should be. And as someone who's also written a sci-fi-time-travel-humor novel, I love that Marty Essen doesn't break the time rules he sets up from the start—so many sci-fi authors do, and as far as I'm concerned, that's just lazy writing. Not the case here! Yes, his characters learn and adapt and grow, but the foundation of his rules remain intact always. To repeat: fun, witty, surprising, sexy. Highly recommend." —Jeff Abugov, writer, producer, director "Time Is Irreverent is a delightful romp that scores solid satirical points about religion, human nature, sex, the Trump administration, and a great deal more." —Tom Flynn, editor, *Free Inquiry* magazine "Ironic, original, hysterically funny, deftly crafted, and an impressively entertaining read from first page to last, *Time Is Irreverent* by Marty Essen is an especially and unreservedly recommended for community library Science Fiction & Fantasy collections. It should be noted for the personal reading lists of dedicated science fiction fans that *Time Is Irreverent* is also available in a digital book format." —Midwest Book Review "Time Is Irreverent is a well-written, well-paced novel peopled with solid, likeable characters. Marty Essen is a talented author who has managed to wrap several complex threads into a light, enjoyable narrative. I hope he will continue writing in the sci-fi genre and I look forward eagerly to his future works." —Charles Remington, *Readers' Favorite Book Reviews* ♦ Praise for *Time Is Irreverent 2: Jesus Christ, Not Again!* "Time Is Irreverent 2 is a madcap blasphemous comedy of the most delightful sort. Recommended for those whose tastes incline that way; if you loved *Time Is Irreverent*, run, don't walk, to consume this perfect sequel." —Tom Flynn, editor, *Free Inquiry* magazine "An excellent follow-up to the original, and this from someone who typically hates sequels!
