How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...

Paul's book tells the story of the impact of the diagnosis of Multiple Sclerosis on a young fit man. It chronicles his determination to realise his potential in life by utilising his personal strengths and drawing on the ethos of 'smiling through adversity' that was instilled during his training as a Royal Marines Commando. I hope that his book will serve as an inspiration to all, but in particular to those who are challenged by multiple sclerosis or other chronic disease in early adult life. Sir Ranulph Fiennes

**The Top Gear Years** Jan 03 2020 The Top Gear Years brings together Jeremy Clarkson's collected magazine columns for the first time. Clarkson at his pithy, provocative, hilarious best We now know all about the world according to Clarkson. In a series of bestselling books Jeremy has revealed it to be a puzzling, frustrating place where all too often the lunatics seem to be running the asylum. But in The Top Gear Years, we get something rather different. Because ten years ago, at an ex-RAF aerodrome in Surrey, Jeremy and his friends built a world that was rather more to his liking: they called it Top Gear HQ. And Top

**Don't Stop Me Now** Apr 17 2021 Jeremy Clarkson puts the pedal to the floor in Don't Stop Me Now; a collection of his Sunday Times motoring journalism. There's more to life than cars. Jeremy Clarkson knows this. There is, after all, a whole world out there just waiting to be discovered. So, before he gets on to torque steer and active suspension, he takes time out to consider: • The madness of Galapagos tortoises • The similarities between Jeremy Paxman and AC/DC's bass guitarist • The problems and perils of being English • God's dumbest creation Then there are the cars: whether it's the poxiest little runabout or an exotic, firebreathing supercar, no one does cars like Clarkson. Unmoved by mechanics' claims and unimpressed by press junkets, he approaches anything on four wheels without fear or favour. What emerges from the ashes is rarely pretty. But always very, very funny. Impeccably researched and vividly told, Frank McLynn's Marcus Aurelius is the definitive biography of a monumental historical figure.

**The Cal Innes Omnibus** Sep 30 2019 An omnibus edition of all four of Ray Banks's highly acclaimed Cal Innes PI novels - Saturday's Child, Sucker Punch, No More Heroes, Beast of Burden - plus Dirty Work, an exclusive Cal Innes short story collection. From the introduction by Kevin Burton Smith: "Read as a whole, the Cal Innes stories are a testament to loyalty and love, and a stab in the eye to complacency and trendy disenchantment. The conclusion of the final book, Beast of Burden, is as raw and morally and emotionally complex as anything Hammett or Cain or McCoy - or Shakespeare, Hemingway or Hugo or any other writer - ever wrote. The Cal Innes books matter because in these books, ultimately, people matter." Praise for Ray Banks' Memorable characterisation, Manchester at night and at its most sinister, lives flooding down the plughole - this is British noir in all its sordid splendour by a writer who has taken more than just an excursion to the dark side." - The Guardian "A pitch perfect novel" - Crime Fiction Lover "Brimming with pitch-black humour and written with a claustrophobic mania to rival the finest noir exponents, it's compelling and finely honed stuff." - The Big Issue "Dark, nasty, funny, and painfully human" - Spinetlinger Magazine "A tight and pacy read, the prose stripped to the bone and the dialogue pitch-perfect. Fans of Colin Bateman and Elmore Leonard will find it hits their sweet spot. Cohen brother lovers; one for you too." - Loitering With Intent "A great story. It's tight as hell and it's so deliberate that it's a complete joy to read." - Dead End Follies "An intensive masterclass in how to write." - Helen FitzGerald "Banks writes in a clean style, looped with inky black humor, and the plot goes at a lightning pace, heaping dread upon dread." - On The Book Beat "Ray Banks writes with harshness, humour and elegance, and his punchy dialogue teems with vigorous authenticity." - The Times "Banks is one of the freshest voices in hard-boiled crime fiction today." - Library Journal "Banks has an ear for the vernacular as sharp as, but a shade or two bluer than, that of George V. Higgins. Let the squeamish stick with Tony Soprano; this is the real tough stuff." - Kirkus Ray Banks is the author of nine novels, including Wolf Tickets, Inside Straight and Angels of the North.

**No More Heroes** Aug 10 2020 It's the hottest summer on record in Manchester, England, and down-at-heel private eye Cal Innes is struggling to keep cool. He has taken a job evicting families on behalf of local slumlord Donald Plummer, while the English National Socialists bring racial tensions to the boiling point. A firebomb attack on a Plummer property thrusts Innes into the spotlight as he rescues a child from the burning building. But when Plummer hires him to track down the arsonists, Innes finds himself dealing with more than neo-Nazis and his rapidly worsening painkiller addiction. Time's running out and the temperature keeps rising. Manchester needs a hero and Cal Innes is the closest it has. Discover why bestselling author Laura Lippman declared that Ray Banks "raises the bar for hardboiled fiction on both sides of the Atlantic."
